Mrs. Fletcher returned from London Saturday evening.
Miss Nellie Armstrong is home from London for a week.
Miss Violet Plaine is learning millinery at W. Bayne's.
Pte. Jack Hillman of Toronto was home for the week-end.

The death, noted in another column, of Joseph Legg, an old Newbury boy,

will be regretted by all, and especially those taking trips on his run. Joe was most kind and thoughtful to any person who came from Newbury.

The Women's Institute had a most enjoyable meeting in the hall on Wednesday, March 6. A quilting bee and knitting were the order of the day. Lunch was served by Mesdames Armstrong, Edwards and Hammett. Another splendid bale of mattress covers, pillows and socks will be ready for shipment on March 20. The name of the institute has been officially changed and will be known now as "The Newbury-Mosa Women's Institute." Mosa council will grant a yearly bequest. The April meeting will be held in the hall and will be a public one. The district president has been invited to be present.

Do it Now.—Disorders of the digestive apparatus should be dealt with at once before complications arise that may be difficult to cope with. The surest remedy to this end and one that is within reach of all, is Parmelee's Vegetable Pills, the best laxative and sedative on the market. Do not delay, but try them now. One trial will convince anyone that they are the best stomach regulator that can be got.

Inexpensive and sold almost everywhere.

In No Hurry to Fly.

"John, you ought to get in the aviation service," a York man told a negro last week. "You are a good mechanic and would come in handy in an aeroplane. How would you like to fly among the clouds a mile high and drop a few bombs down on the Germans?" "I ain't in no special hurry to fly, Cap," the negro answered. "When we're up 'bout a mile high, s'pose the engine stopped and de white man told me to git out an' crank?"
