Bangor, Aug. 26.—Two events were concluded and one left unfinished after four fighting heats on the Maplewood track today. Eight thousand people saw the races, and the 2.20 pace kept them at a high pitch of excitement. Thirteen horses started in this event, and at dark none of them had succeeded in getting more than one heat, the four paced being divided between Ouida, H. A. D., Alberta G., and Nancy S. Ouida slipped and fell shortly after passing under the wire a winner in the first heat and after that was unable to do anything. Rain fell for half an hour early in the afternoon, making the track slow and slippery.

In the 2.26 trot Attorney at Law and Miss Fannie Delmar collided on the back stretch, smashing both sulkies and throwing the drivers. Wilkes Sherwood won on his merits. The green horse race was a procession.

Friday's card will consist of the unfinished 2.20 pace, the 2.40 pace combination, 2.16 trot and 2.18 pace and consolation race.

DO you remember about the "oldest inhabitant" who told how he was out after ducks when a thunder-storm came up. A flash of lightning struck a flock of birds and seven nicely roasted ducks fell into his boat.

He's told this story for "nigh on thirty year" and by this time he believes it.

This tale has a parallel in modern store-keeping. We think you can find it. Then consider our method-we have one story too, which we tell because its TRUE.

because we have the goods to substantiate it.
