

MR. D. M. STICKEY, class '86, has, for a short time, resumed teaching at Shannonville, Ont. He has a good reputation as a successful teacher and disciplinarian. He will return in '84.

MR. D. W. SNIDER, class '86, who spent the summer months in London Centenary Church, and who was presented with a purse of \$100 on leaving, has been ordered out, on short notice, for the winter, to Paris, Ont.

MR. A. G. BROWNING, of the class '85, is also away from us this year driving the stenographer's pen, gaining electrical knowledge, and imbibing geological ideas on the C. P. R. His address is Algoma Mills, Ont.

MR. GEO. J. LAIRD, B.A., '81, has received the appointment to the Chair of Chemistry in Mt. Alison University, Sackville, N. B. He is rapidly working his way to the front, and we hope and expect that a brilliant career is before him.

THE inaugural address by our Assoct.-President, Mr. Wm. Elliott, will be delivered in Faraday Hall, on the evening of Wednesday, November 21st. Subject—"What is Truth?" We hope that some of our corresponding members will be able to attend.

WEDDING BELLS.—We add our congratulations and good wishes to Rev. L. W. Crews, B.A., and lady. The event took place at Masonville, London, on Wednesday, Sept. 5th, 1883. The happy bride, who has thus rescued our member of long-standing, was Miss Kate Louisa, second daughter of Chas. W. Sifton, Esq., of London.

MR. P. T. PILKEY, B.A., '82, who has finished one year's work in mathematics and astronomy at Breslau University, Germany, has been enjoying a tramp over the Swiss Alps and through the beautiful valleys of the Tyrol. We expect, in an early number, to publish some interesting accounts of his travels and impressions abroad.
