25cts. per Bottle.

Beware of Imitations.

Scientific and Useful.

STEAMED BROWN BREAD.—One bowl meal, one bowl flour, one bowl sour milk, half cup molasses, two tablespoonfuls of soda, salt. Steam or bake two hours. Eaten with honey, it is delicious.

MODERN POUND CAKE.—One pound sugar, one pound flour, half pound butter, six eggs, one cup sweet milk, one teaspoonful soda, two teaspoonfuls cream tartar. Flavour with lemon extract. Mix all of the ingredients thoroughly, adding the milk and soda last.

The most successful Hair preparation in the market. If you are bald, if you have thin or gray hair, if you are troubled with falling out of the hair, or dandruff, don't fail to try a bottle of Dr. Dorenwend's Great German Hair Magic, the greatest discovery of the age. Sent to any address on receipt of price, \$1 per bottle, or six for \$5. Direct all communications to A. Dorenwend, sole manufacturer, 105 Yonge Street, Toronto, Canada.

SANDWICHES.—Chop ham very fine, season well, and place between two slices of nicely buttered bread. Then with a sharp knife cut off the crusts, and cut diagonally across the rest, making two three-cornered sandwiches. These are very dainty looking.

JAMES PYLE'S PEARLINE is universally recognized as a family favourite. If you desire to secure feminine smiles and domestic sunbeams, even on wash-day, ask your grocer for Pearline.

TOMATO CATSUP.—Boil ripe tomatoes one hour, and strain through a sieve. To one quart of juice add one tablespoonful cinnamon, one tablespoonful black pepper, half tablespoonful cayenne, one tablespoonful ground mustard, salt to taste, two onions chopped fine. Boil three hours, then to each quart of juice add one pint of cider vinegar, boil half an hour longer and bottle hot.

CERTAIN CURE.—A cure for Cholera Morbus.—A positive cure for this dangerous complaint, and for all acute or chronic forms of Bowel Complaint incident to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.

TOMATO CHOWDER.—Slice a peck of green tomatoes, six green peppers, four good sized onions; strew a teacup of salt over them; in the morning turn off the water and put into a porcelain kettle, with vinegar enough to cover them, a teacup of sugar, one of grated horseradish, a tablespoonful of cloves, allspice and cinnamon. Boil until soft and seal air tight.

IMITATION IS THE SINCEREST FLATTERY.

If the above quotation is true, then Dr. R. V. Pierce ought to feel highly flattered, on account of the many imitators of his popular remedy, the "Pleasant Purgative Pellets," for they have scores of imitators, but never an equal, for the cure of sick and bilious headache, constipation, impure blood, kidney pains, internal fever and all bowel complaints. With a bottle of the sugared granules in the house, you can dispense with the family doctor and his often nauseous medicines.

PICKLED PEACHES.—Prepare ten pounds of peeled fruit. Strew four and one-half pounds of sugar over them and let stand one hour. Then drain off every particle of the sirup: add a cup of water, and boil until the scum ceases to rise. Put in the fruit and cook five minutes. Skim out the peaches; to the sirup add a quart of good vinegar and a small bag of whole spice. Boil ten or fifteen minutes longer, then pour over the fruit. Keep in glasses.

CHESTER G. PARKER, of Oneida, N. Y., was entirely cured of an affection of the throat and lungs, accompanied by a severe cough of several years' standing, by the use of Wistar's BALSAM OF WILD CHERRY.

PICKLED AND SPICED CABBAGE.—Prepare one cabbage by quartering as for boiling, then steam it until a fork will easily run through it, or about three-fourths done. Then take it out of the steamer, and when cool enough, stick into it a spoonful of whole cloves; then put it into a jar, cover with vinegar, add the amount of two spoonfuls of stick cinnamon and one of allspice; then cover the jar, and in a few days it is ready for use. If sweet pickle is wanted, add to the above half of a cup of sugar.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. Is prepared in a perfectly agreeable form, at the same time increasing the remedial potency of both of these specifics. It is acknowledged by leading Physicians to be marvellous in its curative powers in Consumption, Scrofula, Chronic Coughs and Wasting Diseases. Take no other.

"MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingression! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.
