## PROVINCIAL EXAMINATION RULES.

1. Candidates shall present themselves at the examination room punctually half an hour before the time set for the first paper of the Grade for which they are to write; at which time the deputy examiner shall assign each a seat, and a number which shall represent the candidate's name, and must therefor be neither forgotten or changed. The candidates who present themselves shall be numbered from 1 onwards in consecutive order (without a hiatus for absent applicants who cannot be admitted after the numbering) beginning with the A's, then coming to the B's, C's and D's in order.

2. Candidates shall be seated before the instant at which the examination is fixed to begin. No candidate late by the fraction of a minute has a right to claim admission to the examination room, and any candidate leaving the room during the progress of any examination must first send in his or her paper to the deputy examiner and not return until the beginning of the next paper.

3. Candidates shall provide themselves with (for their own exclusive use) pens, pencils, mathematical instruments, rulers, ink, blotting paper, and a supply of good heavy foolscap paper of the size thirteen inches by eight.

4. Each candidate's paper must consist of one sheet of such foolscap, which may be written on both sides, and must contain no separate sheets or portions of sheets unless inseparably attached so to form one paper. Next writing and clear, concise answers are much more likely to secure high values from examiners than extent of space covered or a multiplicity of words.

5. Each such paper must be *exactly* folded, 1st by doubling, bottom to top of page, pressing the fold, (paper now  $6\frac{1}{2}$  x 8 inches); 2nd by doubling again in the same direction, pressing the fold flat so as to give the size of  $3\frac{1}{4}$  x 8 inches.

6. Finally the paper must be exactly endorsed as follows: A neat line should be drawn across the end of the folded paper one-half an inch from its upper margin. Within this space,  $3\frac{1}{4}$  inches by  $\frac{1}{2}$  inch, there must be written in very distinct characters, 1st, the letter indicating the grade, 2nd, the candidate's number, and 3rd, a vacant parenthesis of at least one inch, within which the deputy examiner shall afterwards place the private symbol indicating the station. Immediately underneath this space and close to it should be neatly written the title or subject of the paper.
