

Wherever you can wash your face you can shave with the

# GILLETTE Safety Razor

It matters little where you are, if you want a shave and have a GILLETTE.

With it, shaving is not a ticklish task, to be performed circumspectly on solid footing. Wherever there's water, soap and a towel you can enjoy a safe, clean, quick GILLETTE shave.

That's why the GILLETTE Safety Razor is the standard equipment of the men who frequent Pullmans---

the trusty friend on shipboard--and an essential part of the camping outfit or the vacation grip.

The GILLETTE is always ready (no stropping, no honing), always keen. It shaves as no other razor can shave, because it is the only razor which can be adjusted to suit any beard and any face.

Ask your Jeweler, Druggist or Hardware Dealer to show you the GILLETTE.
