

# GOLF TIPS

By Michael Schurman  
**Golf Professional Credit Valley G.C.**  
 If you have been following this series of golf instruction then you require only the finishing touches to your new golf swing. First, you need to learn to aim. This is accomplished by standing behind the ball and looking over it toward the target. On the imaginary line drawn from the ball to the target, you select some small object (i.e. a broken tee, a blade of grass) that is about four feet in front of the ball. Stand beside the ball in the hitting position (no. 11).

Object. The lines across your feet, knees, hips and shoulders will be parallel to this line that joins the ball to your selected object. The club face will also be pointing over your selected spot. By studying the diagrams below you can see where to place your feet and the golf ball for each club in the bag.

**Robins nearing the top**  
 Clutch base-running by John Horton and some timely hitting gave Robin Lee Sports a 5-4 win over Downsview Rama Inn in Centennial Fastball League play last week.  
 It was Rama Inn's first loss of the season and pulled Robin Lee to within a point of the Downsview team.  
 Billy Salmon was the winning pitcher.  
 Salmon pitched a strong game again as Robin Lee stretched three hits into three runs in a 3-2 win over Ponderosa.

**Cruickshank unstoppable**  
 It will take more than an injured arm to stop Gord Cruickshank.  
 The Radman Cub pitcher, playing with his left arm in a cast, pitched four innings of shutout baseball, hit a homerun and two singles to lead the Cubs to a 14-1 win over Bill Wilkinson Motors Giants in Sheridan Baseball Association Junior Boys' play last week.  
 Cruickshank is unbeaten in four mound appearances this year. He struck out 11 Giants in four innings last week.
