

# BRIDES' WORLD

## THE BEST MAN

The Best Man is the brother or best friend of the groom, and is customarily dressed the same on the wedding day. He has many responsibilities: Gets the Groom properly dressed and to the church on time. This job is made easier if he discourages late partying the night before. Receives the minister's fee from the groom and gives it to the minister. Carries the wedding ring. Makes sure the Ushers are organized. Performs errands for both mothers. May act as Master of Ceremonies at the reception. Proposes or replies to the toast to the Bridesmaids. Ensures the departure of the Bride and Groom from the reception is without incident.
