JOHN H. STEWART
GENERAL MANAGER

COR. PARK, ADAMS AND BAGLEY AVES.

DETROIT, MICH.

No other considerations should stand in the way of this duty to the country, much as some may desire to soft pedal on it.

General interest is less evident than might be expected but that is due to holiday season and torrid weather. The last 3 weeks is the important time and spectacular action on Customs border then is vital.

Yours most sincerely
L. D. Robertson
