Dear Senator Dennis:

I duly received your letter of 9th  
and have been keeping up my reading of the Halifax  
Herald. This is necessary for the cultivation of one's  
literary talent anyway. I am glad to have some know-  
ledge of the situation which is developing in Nova Scotia.

We have been hopeful of seeing you in  
the Senate, but so far have been disappointed.

Yours sincerely,

Hon. W. H. Dennis,  
Halifax Herald,  
Halifax, N. S.
