February 23, 1929.

Walter Osborne, Esq.,
54 Clengowan Road,
Toronto, Ont.

Dear Walter: Re Sudbury-Dowling Mines

I am very sorry to have to advise you that the Northern Canada Mining Corporation will not interest themselves in this Corporation. Their engineers advise against it. I am, therefore, returning all the papers. These include Mr. Dunthorne's letter to you of 18th January, maps, blue prints, etc.

Yours very truly,

AM/E.

Arthur Meighen.
