

6. The course of study, and the qualifications of every teacher hereafter employed, shall be subject to the approval and regulations of the Education Department.

7. The unit of distribution of the Legislative grant for manual training and household science shall be the time of one teacher for five hours on each of five days per week.

8. The grants mentioned in the foregoing sections shall be subject to such pro-rata increase or reduction as the Legislative appropriation therefor will permit.

9. No manual training or household science school or department will be recognized as efficiently equipped that is provided with accommodation for less than 12 or more than 25 students, at any one time, for practical work.

Qualifications of Teachers

Household Science

1. Subject to the provisions hereinafter mentioned, no certificate to teach Household Science shall be awarded after September 1st, 1904, to anyone who does not hold at least Junior Leaving or Junior Matriculation standing.

2. All institutions whose graduates may be recognized as teachers of Household Science shall provide, to the satisfaction of the Education Department, suitable courses of study as well as adequate accommodation, equipment and instruction, for students preparing to become teachers in this department.

3. Every student who desires to become a teacher of Household Science must take a two years' course of study in the department, but any person holding, at least, a certificate from one of the Normal Schools who completes satisfactorily a one year's course shall be awarded a teacher's certificate in Household Science.

4. Any graduate of the Normal College who completes satisfactorily a one year's course at one of the recognized institutions for the training of teachers in Household Science shall be awarded a teacher's certificate as a Specialist in this department.

5. Any person holding a certificate to teach Household Science granted by the Education Department shall be qualified to have charge of a department of Household Science under any High, Public or Separate School Board.

6. Certificates as teachers of Household Science shall give no legal qualification to teach any of the other subjects of the school curriculum.

7. No grant shall be paid by the Government towards a department of Household Science unless the teacher who has charge of such department is duly qualified as herein provided.

8. These provisions shall not apply in the case of teachers already in charge of the department of Household Science or to students preparing to be teachers of the subject who have been enrolled before the date of these regulations.

Manual Training

1. Subject to the conditions herein mentioned, the Macdonald Institute, Guelph, shall be the only institution recognized by the Education Department for the training of teachers in Manual Training.

2. The Macdonald Institute shall provide, to the satisfaction of the Education Department, suitable courses of study as well as adequate accommodation, equipment and instruction for students desiring to become teachers of Manual Training.

3. Any person holding at least a second class certificate from one of the Normal Schools, who completes satisfactorily a one year's course at the Macdonald Institute, shall be awarded a teacher's certificate in Manual Training.
