

1807.

Letter.	Page 368
Report that Ridout can be removed only by authority of the Lieut. Governor from his situation, and that the Surveyor General should be called upon to give his reasons for writing the said letter to Ridout.	369
Minutes, 5th January. Meeting to be called to consider and report on a letter from the Surveyor General, C. B. Wyatt.	371
The letter stating that Ridout cannot remain in his situation.	371
Report of Council, that Wyatt's letter is a direct disobedience of orders. His commission gives him no power to remove clerks from his office, they being placed there and paid by the Crown. The letter containing order to continue Ridout in office follows.	372
Minutes, 13th January. Specifications and distribution of fees laid before the Board.	375
Auditing accounts.	376
Minutes, 27th January. Petition for leave to erect a grist and saw mill at the Kingston mill seat, not recommended by Council.	377
Minutes, 28th January. Auditing the Receiver General's accounts.	378
Other accounts audited.	381
Minutes, 5th February. Correspondence relative to the survey of Gosfield and Colchester, referred to Council.	386 to 396
Report of Council, that the survey of Colchester, Gosfield and Mersea, cannot be recommended at the advanced price for labourers employed.	397
Minutes, 9th February. Auditing accounts.	398
Minutes, 11th February. Letter from McGill, Inspector General of Accounts, referred to Council.	399
Letter stating the nature of the work, that out of his salary he had been obliged to pay a clerk and office rent, and requesting that these should be allowed and that he should be put on the same footing as the Inspector General in Lower Canada.	400
Report of Council, that the prayer of McGill's memorial is just and reasonable, and that, even if be granted, the salary attached to the office is inadequate.	403
Minutes, 17th February. Petition of William Bates for a lease for twenty-one years of the Government House at the head of Lake Ontario.	404
Petition.	405
Council cannot recommend a lease.	407
Minutes, 21st February. Auditing accounts.	408
Minutes, 26th February. Speech from the Five Nations on the Grand River desiring that Thomas Clark, of Queenston, be allowed to purchase block 4 on the Grand River, referred to Council.	409
Affidavit of William Dickson, that the annexed speech was delivered by Joseph Brant in name of the Indians on the Grand River at their public council.	410
Speech.	411
Report of Council, recommending that a grant issue to Clark.	417
Minutes, 4th March. Report of Council, recommending that Thomas Smith (see pp. 386 to 396) be allowed the extra charges stated by him for rations, only in consideration of the special circumstances, but this not to be taken as a precedent.	419
Minutes, 11th March. Report of Council, recommending the payment to Thomas Smith of an excess in the pay of labourers for the survey of Mersea.	420
Minutes, 13th March. Accounts audited.	421
Minutes, 17th March. Audit continued.	422
