

THE YOUNG MAN'S HABERDASHERY!

It is interesting for the young men of Ottawa to know that they have an up-to-the-minute men's furnishing store which is conducted by a live energetic young man. And when they know that Mr. J. E. Ferguson makes a specialty of catering to the young man's trade, they will doubly appreciate his establishment.

Here are a few of the many lines carried and the low rents enable this firm to offer their stock at most reasonable prices.
