It is an item of interest to know where reliable Goods are to be found in the above mentioned lines. Try LINDSAY'S LEADER LOW CASH PRICES DRY GOODS HOUSE for these articles. They are Specially Imported for our Trade.

E. E. W. MCGAFFEY.

The W. A. and other members of the congregation sent three bales, weighing 300 lbs., to the mission at Hay river. Though the bales left here in May they will not likely reach their destination until early in September, but will none the less cheer the hearts of the workers (containing as they do so many useful articles and kind remembrances) and help on the work among the Indians. The expense of getting in supplies is understood when one remembers that the ordinary freight on these 300 lbs is over \$40.

Confirmation service will (D. V.) be held in St. Paul's church on Friday, June 9th, at 8 p. m., by the Bishop of Toronto. Let our prayers go up that God will abundantly bless those being confirmed and many of us might say a word occasionally that will be helpful and encouraging to our new members to walk in God's way. On Sunday, June 11th, the Holy Communion will be administered both after morning and evening service and we trust many will unite with the newly confirmed at their first communion.

St. Paul's Church Collections, May, 1899.

	Envelopes	Loose	Total
