BE PREPARED!

These are the days of stress and strain in financial circles and the breaking of the war-cloud has greatly added to the prevalent anxiety.

The intense surprise experienced at the declaration of war clearly shows the necessity for every financial institution being prepared for unforeseen emergencies.

The Mutual Life has sometimes been criticised even by its best friends for carrying too large a surplus, but the situation to-day justifies our conservative yet progressive policy.

The Mutual Life Assurance Co.

Of Canada,
