What's fit a name? Perhaps a name for the farm is only a Perhaps a to the sentimental; nevertheless, it is becoming a custom that characterize the owner as a man of pride. Possibly his knowing that the farm is maned may stimulate the better work on the farm. No doubt better work on the farm. No doubt better work on the farm. No doubt the farm and the things for which it is not manne as a trade-mark lower of the farm and the things for which it is not continued in the farm and the things for which it is not continued to the farm and the things for which it is not continued to the farm and the things for which it is not continued to the farm and the things for which it is not continued to the farm and the things for which it is not continued to the farm and the things for which it is not continued to the farm and the farm and

Cooperation Did It

It all of the apples frown in Nor-folk Co., Ont., In 1812, were packed in boxes, they would fill 68,800 bushel boxes and form to the bushel boxes and form to the line from Hamilton to Toronto. If all of the apples had been packed in barrels the line would extend for 30 miles. And it is not many years since Norfolk was not known out-side of Norfolk as an apple coun-try.

that which the farmer makes for it.

The name for the farm should not be a second to the farm should mean something with the second that the s
