

Order Ideal Farm Fence NOW!

Prices Advanced May 1st

Owing to the recent steel strike wire manufacturers will accept no orders for immediate delivery nor specified quantity. Fence manufacturers must take what they can get and be satisfied. Demand exceeds supply to such an extent that an estimated shortage of 50 per cent. exists in manufactured fence. By late Spring, Ideal Fence—and other fence, too—may be practically off the market for quick deliveries.

Orders placed now will be shipped in the order of their receipt—and at the prices quoted herewith.

Each order will be taken care of as rapidly as circumstances permit. We earnestly suggest that you get your order in early.

The integrity of this Company—makers of good and non-misrepresented fence—stands back of the statement that fencing conditions are abnormal. The Canadian farmer faces not only an acute fence shortage, but higher prices as well. When we ask you to order now, we do so in your behalf.

Order now for Spring delivery—please!

FREIGHT-PAID PRICES ON IDEAL FENCE, GATES, BRACE WIRE, BARBED WIRE, ETC.
