

THE WORK OF
SEED TIME AND HARVEST

satisfactorily accomplished by the use of

Deering Seeding ^{AND} Tillage Machinery
AND
Deering Light-Draft Ideals.

Both lines include modern, perfected machines, which embody the most advanced ideas in design, construction and easy manipulation.

You can't go wrong if you purchase

DEERING

Binders, Headers, Headers & Binders, Mowers, Reapers, Corn Binders,
Corn Shockers, Huskers & Shredders, Rakes, Twine, Knife Grinders, Oil.

**DEERING CULTIVATORS, HARROWS,
DRILLS, SEEDERS.**

Write for latest catalogue to any of the following Canadian Branches of

Deering Division International Harvester Co. of America

TORONTO,
LONDON,

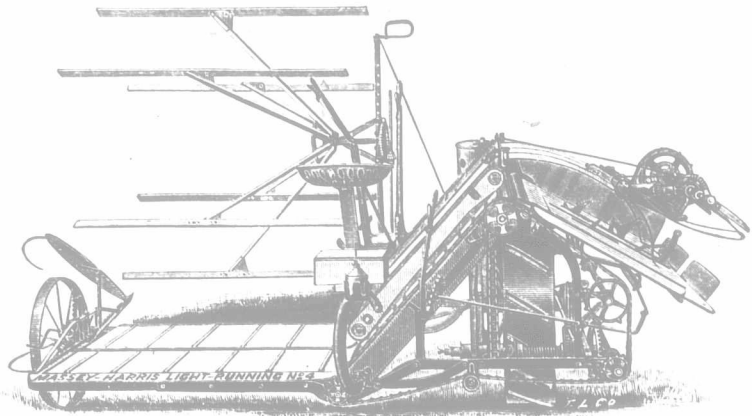

MONTREAL,
WINNIPEG, REGINA.

Factories: Hamilton, Ont.; Chicago, U. S. A.

om

Russia's Minister of Agriculture awarded the

MASSEY-HARRIS BINDER

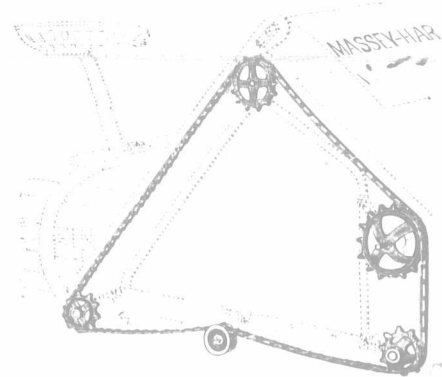

the **GOLD MEDAL** (the highest award) over all other competitors,
last June, on the judgment of a thoroughly competent jury.

The
Massey-Harris

won this medal on its merit.

The **Massey-Harris Elevator**
Chain shown does not run in
and out among the sprockets.

To the Threshermen of

The J. I. Case
Threshing Machine Co.,
of Racine, Wis.,

Eastern Canada

Have decided to open a branch house at TORONTO, on February 2nd, 1903, and our patrons in the East can be assured of the same courteous treatment as has been accorded their brethren in Western Canada, among whom we can number thousands of satisfied customers. Until the date of opening of our Toronto house, address all communications to

J. I. Case Threshing Machine Co.

RACINE, WIS., or WINNIPEG, MAN.

Post card brings catalogue and literature. Write us to-day.
