HIS GRACE ARCHBISHOP WOOD, OF PHILADELPHIA,

The Testimonials Received from Those who Have Our Crosses! M. CERQUI.

Monsteur—As the Star of the East led and guided the magi to our Redeemer's feet, so does the crucifix treated with your compound, in the darkness of my chamber, in the solumnity of the night, lead my soul from earth to heaven, where in eternal glory reigns the Being whose emblem shines and over-shadows my sleeping moments.

Yours in X.

Bro. Joachim.

From the New York Correspondence of the Dublin Freeman's Journal, February, 16th, 1881.

Through the courtesy of Mr. J. R. Maxwell, & Co., proprietor of M. Cerqui's Chemical of the century. I was led into a room, the curtains were drawn and every ray of light was excluded, and in the darkness where first I saw only plain plaster figures, there stood out in clear, bright, awe-inspiring distinctness, first the figure of the Saviour suspended in space, as it were, then, on either side the figures of Mary and Joseph, while looming up in the foreground was the figure of an angel bearing a crown that seemed to rain light. If ever a feeling of faith and veneration possessed a Catholic, it then overwhelmed the writer, the scene was so novel and reverential. Upon leaving we were presented with a cross; it is kept on a bracket in our chamber, and in the darkness of night it seems to say, sleep safe, We also have the honour to refer to the following Clergroups, and Side were also have the honour to refer to the following Clergroups, and Side were supported the supported to the following Clergroups, and Side were supported to the following Clergroups and Side were supported to the supported to the following Clergroups and Side were supported to the supported to

If you possessed a Cross of any religious object treated with this compound, you will
readily see how much satisfaction and with what a reverential feeling such an object would
be viewed at night, when darkness and silence reign supreme, then like protecting figures
insignias of our faith, beautifully bright, uninfluenced by the surrounding gloom, they are
an inspiration for the last thought or word before sleep overcomes us.

We are now manufacturing such crosses, and a number of different statuettes, crucifixes,
and the usual church ornaments, and treating them with this wonderful compound. We

The Rheumatine Manufacturing Co'y,
NIAGARA FALLS, ONT.

From Mr. Percy Perdon, the oldest Mail Cleik now running on the Great Western Railway, between Suspension Bridge and Detroit.

About 18 months ago, in conversation with you, I mentioned that my son Arthur was a great sufferer from rheumatism, being so bad that for months he had not been able to put on his boots or walk. At your suggestion I purchased from you four bottles of your Rheumatine. Three bottles, however, I am happy to say, effected a permanent cure, as my son has never suffered from rheumatism since, although the past winter has been a most trying one. I may add that the medicine had the effect of improving his health in every way. Make what use you like of this testimonial. I can thoroughly recommend your Rheumatine to all suffering from rheumatic complaints.
