DR. KNIGHTS ORIENTAL

Hair Restorer.

Is the only preparation in use which invari-ably changes gray and faded hair to its original color. Its effects are so uniform and speedy, as to be regarded almost miraculous.

It gives universal satisfaction, a single trial proving its superiority over all other articles offered to the public under similar names. Lieut. E. G. White, writes from Eastport, Me., April 17, 1866: "Though but twenty-six years of age, my hair had become quite gray, when, at the suggestion of Dr. Carpenter, I gave your Oriental Hair Restorer a trial. In ten days from the first application my hair was dark and soft in childhood. I believe no other preparation can boast of such remarkable effects. Rev. Edward Orr. witing from Alexandria, Va., February 5, 1866, was: "I am to old to regret that the frosts of Winter should glint perpetually in my hair, but to gratify my daughter. I have used your Oriental Hair Restorer. and with the happiest results. My hair, which

two weeks since was white as silver, is completely restored to the color and texture of forty years ago. In my daughter's behalf, I thank you heartily. Capt. C. C.
