Write for our booklet "FACTS." It will interest you, as it shows how we invest our Assets for the protection of our Policyholders.

What the Army and Navy is to the nation, so is the life insurance policy to the home. The former protects trade and commerce and fulfils its glorious traditions, while the latter protects the home against the vicissitudes of life. You are justly proud of the achievements of our troops. Take pride in the possibilities of your home and carry sufficient life insurance to protect your loved ones against want. Don't procrastinate. **To-day** you may be insurable; **to-morrow** you may not be. **Be patriotic. Don't increase the burdens of the nation by your neglect to insure.** Our business is to carry your risk.
