IN MEMORIAM

REICH—In loving memory of our dear little son, Jerome, who died on June 28th, 1927.
He lives with us in memory still, And will forever more.
— His Parents

There is no denying the fact that the people of the Old Land have lost confidence in the old parties. The result of the recent election proves conclusively that the working classes are not getting a square deal. There are too many of the titled gentry there who possess more than a fair share, hence the dissatisfaction.

McINTOSH

Mr. and Mrs. Wes. Haskins spent Saturday and Sunday with friends in Toronto.

Misses Aggie and Jean Harris of Teeswater spent Sunday at their home here.

Mrs. Josephus Harris and son, Edmund and Miss Mary Teskey of Maple called on old friends here last week.

Mr. Albert Haskins is busy furnishing the power for the Howick stone crusher. We don't think that Howick has as many stones as Carrick, so there will be no grumbling about the stones on the roads.

There will be a Garden Party at Mr. Harry Ferguson's on Thursday evening, and as it is Midway's half holiday, we will look for a large crowd from your town. Come and have a good time. Lots to eat.

There was quite a number of the McIntosh people at Belmore on Sunday afternoon to hear Rev. Dr. McClelland, a returned Missionary from Formosa. It sure was a treat to listen to him.

Rev. Mr. Taylor will deliver his farewell sermon next Sunday. Mr. Taylor has not remained very long with us, but he has made a host of friends during his short stay, and all are sorry to have him leave us. Mrs. Taylor and family will also be greatly missed. We all wish them blessing in their new home.

The Belmore people are redecorating their church and doing other repairing. They expect to have it ready for Sunday, July 7th. The induction of our new Minister, Rev. Mr. Turnbull, will be held in McIntosh church on Friday evening, July 5th.

MOLTKE

Shingling and circling wood are the orders of the day just now, and they are hot jobs too.

Mrs. Jac. Eckel left on Tuesday for Toronto for medical aid. We wish her speed in recovering.

Last Monday the children of Mr. and Mrs. Geo. Lantz sr., celebrated the fiftieth anniversary of their marriage. It was a pleasant reunion for all. In the evening St. Paul's went there and treated them to music and singing. All join in wishing Mr. and Mrs. Lantz many more happy years.

The Moltke Band played at a Garden Party in Brant on Monday. Don't forget St. Paul's Garden Party in Ernest Hill's orchard on July 4th. An interesting soft ball game will be played. Fish pond and other attractions, also good program Admission 25c and 15c, lunch included

A SURPRISE GATHERING

On June 18th the neighbors gathered at the home of Mr. John Stroeder, surprising their daughter, Anna. They presented her with a clock and several other valuable gifts. Mr. John Eickmeier presented the clock. While Miss Frieda Weigel read the following address:
"June time, the month for roses and weddings is here again, and this year we have the pleasure of holding a little gathering in this home in departments.

honor of our approaching marriage. As a little token of remembrance of that event, and as a sign of our good-will and kind thoughts of you, we wish to present you with these gifts.

With it go our sincerest wishes that you may have a long and happy wedded life.

Signed on behalf of the neighbors. The bride thanked them very becomingly. The rest of the evening was spent in playing games and music.

This is the season of lawn socials. Often too, the only "gusher" in the field is the one who writes the prospectus.

The Indian population in Canada is just about holding its own. Hon. Charles Stewart, minister of interior, told the house committee. The total number is approximately 105,000. Of the \$4,568,581 to be voted for this purpose about half was passed before the committee shifted to other departments.

A ONE-SIDED STORY

The prominence given to the few who won money in the English Derby and Calcutta sweepstakes on the front pages of metropolitan dailies last week is such that would be denied any other business of a legitimate character. Why hold up the allurements of this form of chance money-making before a gullible public and not make mention of the thousands who squandered small amounts and lost? And why not also mention the amounts that are made from these events by the promoters without any chance of loss, no matter who wins the race? The telling of only one side of the story and the playing up of a feature in the headlines that two widows held lucky tickets gives only one side of the story. Hundreds of widows didn't win, along with myriads of other unfortunate who could ill-afford to lose the small amounts used to purchase tickets, but who are baited on by just such stories as were given premier position in the news columns last week.
