REV. MR. FOSTER AT A RE-UNION

The Fosters of Victoria Co. Gather at Fine Home Near Mariposa

A DAY OF PLEASURE

Next Such Event to be Held in Bowmanville—Among Those Present.

LINDSAY, Sept. 6.—(By Mail)—A family gathering of unusual interest has just been held at "Wheatlands," the home of Mr. and Mrs. Geo. C. Foster, Mariposa township. Over thirty members of the different branches of the Foster family enjoyed the social opportunity of the day.

The weather was ideal and early in the day cars began to arrive bringing guests from Bowmanville, Toronto, Wisconsin, Belleville, Lindsay and Oakwood.

The celebration was opened by Mr. John C. Foster and Mr. Clement W. S. Foster, Mariposa township. On the tower flag staff where it floated during the day at 110 feet from the ground.

Tables were placed under the beautiful shade trees and awning where a banquet of unusual beauty was served to the happy company. At the close of the banquet after dinner, speeches were given by the gentlemen present revealing many amusing incidents of by-gone days.

Each member of the company seemed to vie with the other to make the event one long to be remembered as one of congenial and happy fellowship.

During the afternoon several snapshots were taken of the company and the programme of sports and music which entertained the guests was not allowed to close without arranging for a similar annual event.

Rev. A. H. Foster, Belleville, occupied the chair and on motion, Mr. Geo. C. Foster of Mariposa was appointed President, Mr. F. A. Foster, Bowmanville, Sec. Treas. and Miss M. F. Newman, Lindsay, Historian.

It was unanimously decided to hold the next celebration on July 4th, 1922, at the home of Mr. and Mrs. F. A. Foster, "Norwood Place," Bowmanville. A committee was appointed to arrange for a programme and sports.

The hour having arrived, to say farewell, all agreed that they had spent one of their happiest days at "Wheatlands" where the favour of the hospitality offered was the rarest.

Besides the members of the family at "Wheatlands" Mr. and Mrs. Geo. C. Foster, Vivian and Helen and Mr. John Foster, the guests assembled included Mrs. Thos. H. Foster, Mr. and Mrs. Clem Foster and Earle, of Oakwood, Mr. Henry Foster, Mr. and Mrs. Fred A. Foster, and Doris, of Bowmanville, Mr. and Mrs. Chas. Foster, of Sonys, Dr. and Mrs. J. H. Foster, Catherine and Tommy, of Cornwall, Wisconsin, Rev. and Mrs. A. H. Foster and Ethelwyn of Belleville, Mrs. M. D. Culbert, of Toronto, Mr. and Mrs. T. A. Newman, Martha, George and Horace, of Lindsay and Rev. Carmichael, Clifford and Harold of Seagrave.

DETOURS IMPASSABLE.

Motorists Make Complaints of the Long Detours.

Oshawa—Motorists are vigorously complaining of the long detour they are required to make in Pickering Township near Dunbarton, for which they claim there is no necessity, says The Pickering News. The detour is one concession north, over roads that are deplorable, particularly after a rain storm. The Kingston Road is being repaired at the point covered by the detour, but the only real reason given for the detour is that a certain bridge is unsafe for heavy traffic.

If this really is the reason, passenger autos might well be permitted to use it, and only heavy trucks obliged to detour. It is said the real reason of the detour is that interested parties want to have the detour road so badly cut up by traffic that the Government will have to repair it at its own expense, rather than that the Township of Pickering should do the work.

This may not be true, but from appearances there must be some public motive in putting motorists over such a long, rough detour when the Kingston Road is passable.

CANADIAN DYE LTD. IS PRODUCING ANALINE DYES

Trenton—Canadian Dyes Limited located in the Cold Storage building, Trenton, after two months of building and installation of their first unit has commenced producing aniline dyes. The company hopes to do considerable exporting.

Big reductions in Atlantic City hotel rates will go into effect this fall.

WEDDINGS

O'CONNOR-FRASER

A quiet wedding took place in St. George's Cathedral, Kingston, on Saturday, Sept. 4th, at 7 p.m., when Frances Helen Grant, daughter of the late Rev. J. G. and Mrs. Fraser, Belleville, and niece of the Misses Fraser, Barrie street, was married to Garrett, David O'Connor, B.Sc. Rev. W. E. Kidd officiated. The bride, who was unattended, wore a smart French frock of navy blue taffeta and georgette, and small toque to match. Only the near relatives and a few old friends of the families were present to wish all happiness to the young husband and wife. Mr. and Mrs. O'Connor left on the train for the east immediately after the ceremony, and on their return from their wedding trip will live on University avenue, Kingston.

SEQUIN-CONNELL

The home of Mr. and Mrs. George Connell, Point Anne, was the scene of a very pretty wedding on Monday Sept. 5th, when their second daughter Lena and Mr. Louis Sequin of Toronto, were united in the Holy Bonds of matrimony by the Rev. Mr. Totton of Shannonville.

Miss Pearl Bowerman of Belleville played the wedding march, assisted by the bride's sister Miss Lottie Connell.

The bride who was given away by her father looked very charming in a gown of white charmeuse satin and georgette, wearing bridal veil and orange blossoms and carried a beautiful bouquet of opella roses, evergreen and asters.

Mrs. Connell the mother of the bride wore a gown of black charmeuse satin. The bridesmaid was Miss R. MacDonald, while the groom was assisted by Mr. Clayton Sweeney.

One hundred and fifty guests were assembled. Out-of-town guests were Misses Mabel MacDonald, Mary Ryan of Rochester, N.Y.; Mr. and Mrs. James Sweeney of Toronto; Mr. James Cole, Deseronto.

After the wedding a sumptuous dinner was served, Mr. D. McDonald, Mrs. W. MacDonald; Mrs. F. Haines and Mrs. Carter acting as waitresses. The fees were served by Mrs. J. Taylor and Mrs. J. Huk.

The groom's gift to the bride was a pearl and diamond necklace; to the bridesmaid, a diamond brooch, and to the groomsmen, gold pen-links.

The bride's going away suit was navy blue duvety with navy blue hat to match.

The father's gift to the bride was a handsome cheque, while the numerous gifts showered on the young couple shined in what esteem they were held. Mr. and Mrs. Sequin left amid showers of congratulations and confetti on the 5:55 train for Detroit and other points west. They will reside in Toronto, where the groom is in the real estate business. The many friends of the young couple join together in wishing them a long and happy married life.

CONSTIPATION AND HEADACHES

Completely Relieved by this Grand Fruit Medicine, "FRUIT-A-TIVES"

MR. ALFRED DUBOISSEAU
482 St. Catherine St. E., Montreal.

"For three years, I was a terrible sufferer from indigestion, constant headaches and constipation. I took various medicines for the trouble but nothing seemed to do me any good.

Then, a friend advised me to try 'Fruit-a-tives'. Now I am free of indigestion and headaches, the constipation is cured, and I have gained considerable weight; and my general health is fine.

'Fruit-a-tives' is a grand medicine and I cannot say enough in its favor."

ALFRED DUBOISSEAU

'Fruit-a-tives' are made from fruit juices and valuable tonics—and are pleasant to take, their action being gentle and mild, yet always most effective.

NEW COURSE AT QUEEN'S

Special Course of Year's Work in Commerce for Engineering Graduates.

Kingston—The demand for engineers with business training has led the faculty of applied science of Queen's University, in co-operation with the departments of economics and of commerce and administration in the faculty of arts, to establish a special course of a year's work in commerce for engineering graduates of Canadian universities.

The subjects to be studied will include general economics, business finance and business law, economic geography, the financial organization of society, marketing, accounting, problems of labor, industrial management, business statistics and business policy. Among those who will deliver lectures is E. W. Beatty, president of the Canadian Pacific Railway, and chancellor of Queen's.

CHICAGO'S biggest store has added rouge and rolled stockings to bobbed hair in its list of "Thou Shalt Nots" for women employees.

PURCHASED PLANT.

Hastings—Mr. Leakey and Mr. McMaster, of the National Co-operative Company, closed the deal whereby the building known as the Radiator Building came into their possession. A public meeting was held in the Council Chamber, when President Leakey explained the action taken by the Company. He stated that the Company had decided to put in a stove and saw mill here, and expected to get started within the next 30 days, these in themselves would employ quite a number of men, but it remained with the citizens of Hastings and district, to boost the stock so that this village will also have a barrel machine and be the parent plant of the Company.

It is the intention of the Company to erect a building for a saw mill and stove factory, also a dry kiln and storage plant, and will employ about 40 or 50 hands here and over a hundred in the woods adjacent.

ATHLETIC EVENTS.

Splendid prizes will be supplied to successful competitors in the variety of track events. A Tag-of-War will also be pulled between two teams of trained muscle and brawn.

PAINFUL NEURALGIA TORTURING SCIATICA

Both Come From the Same Cause—Thin, Watery Blood.

Most people think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve in the body. Different names are given to it called sciatica, but the character of the pain and the nature of the disease are the same. The pain in neuralgia is caused by starved nerves. The blood which carries nourishment to the nerves has become thin and impure and no longer does so, and the pain you feel is the cry of the nerves for their natural food. You may ease the pains of neuralgia with hot applications, but real relief from the trouble comes by enriching and purifying the blood. For this purpose Dr. Williams' Pink Pills are strongly recommended. These pills make new, rich blood and thus act as a most effective nerve tonic. If you are suffering from this most dreaded of troubles, or any form of nerve trouble, give these pills a fair trial, and note the ease and comfort that follow their use.

You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WINS SCHOLARSHIP.

G. R. Maybee, of Napanee Gets the I. O. D. E. Memorial.

Kingston—The I.O.D.E. war memorial scholarship has been awarded to G. R. Maybee, of Napanee, for high standing in the Ontario Honor Matriculation. The I.O.D.E. War Memorial scholarship is awarded in each province of Canada each year. It provides \$250 a year for four years to the son or daughter of a Canadian soldier or sailor who was killed or permanently disabled on active service during the late war.

G. R. Maybee is a pupil at the Napanee Collegiate Institute and a son of F. R. Maybee, late 71st Battalion C.E.F., who was permanently disabled while on active service. He is a good rifle shot and will enter for the science course at Queen's University this fall.

TO OPEN A CAMP.

Renfrew—O. A. Duff, Renfrew, has secured an interest with Pembroke parties in a timber property at Bruis Lake. Operations will be commenced at an early date and a camp of from 75 to 100 men will be put in. There will be steady work for these the year round as the lumber will be manufactured at the lake where a mill is being put up.
