FATALHIWAT AUTAM CHRISTENING

One Man Dead, Another Dying

TWO ARRESTED

Brothers Got Into Fight and Several Shots Were Fired

SAULT STE MARIE, July 27 .- At the Italian christening last evening in little Italy, a row started, resulting in the death of one Italian and in another being badly wounded. The facts, stated this morning before Coroner McLurg by Samual Molinarie, interpreter showed that the fight occurred about six o'clock in the evening. Two brothers, Benny Ciacco and Charlie Ciacco were pitted against Ike. Benny and Alex. Sigliano, brothers, and another Italian, whose name is not known Benny Ciacco was shot to death, and his brother Charlie was badly clubbed, and is now in Soo hospital. and Alex. Sigliano and an unknown man were arrested last night and lodged in jail. Ike Sigliano got away and has not yet been captured,

FARM HAND WALKS HOME WITH BULLET THROUGH STOMACH

AYLMER, July 27.-Charles Dance, tarmer, was aroused at midnight Saturday by dogs worrying his sheep. Calling Colen Astbury, an English farm hand, they went to the rescue with guns. Astbury attempted to shoot : which was running toward him, but the cartridge missed fire. When mear enough he clubbed it with his gun, breaking the stock and exploding cartridge. Though the ball passed through his stomach and one of his kidneys, Atbury did not collapse, but walked to the house. Ayimer and St. Thomas doctors are attending him, and it is hoped he may survive. He is

(Written by a Passenger.) BERLIN, July 24-July 1, 1908, will for ever be memorable in the history of mankind. It marks definitely man-

kind's conquest of the air. Without any bombastic exaggeration, without the slightest self-advertisement, a trip was accomplished over a route selected by Count Zeppelin which for multiplicity of obstacles is almost unimaginable.

The twenty-four-hour flight which is to take place later, and upon which the Government's acceptance of "Zeppelin No. 4" depends, will be longer than Wednesd-ay's trip, but it is really without consequence for Count Zeppelin's creation. The coming flight can last ferty-two instead of twenty-four hours, but in opportunities for probing to the bottom the ship's obedience to command it cannot even remotely appreach our historic trip across Swit-

Narrow passages in rugged mountain ridges, blinding whirlwinds issuing from waterfalls, brisk cross-winds blasting us from ravines and valleysall are deliberately sought out. No Jas. E. Phillips, formerly a ligutenant test, however severe, is evaded. The airship weathers them all.

There are moments when, sailing full speed, a counter-wind blowing at thirty miles an hour holds us so firmly that veloped yesterday. By night the victim | we cannot make more than a foot of we emerge from the narrow passage ed the slightest command. into which the cross-wind has churnlandscape beneath with the velocity of such as he was on this occasion partian express train.
