

GENERAL NOTES.

THE PROPRIETOR of this long and favorite house has recently improved his property to inform the Citizens of Montreal, and in vicinity, that recent improvements have been made for the comfort and accommodation of the Public. The new arrangement will be found such as to justify the Patronage of the who desire an agreeable Residence during the winter, as the house will be crowded by the most elegant and refined society for good living. The Proprietor, from the present state of pecuniary embarrassments in Montreal, will furnish Board at a reduced price—lower than can be obtained at any similar Establishment in the City—and invites those desirous of securing an agreeable Winter Residence, to call and inspect his Rooms and Table. Thirty or forty persons can be comfortably provided for.

S. R. WARREN, MANUFACTURER OF ORGANS & PIANO-FORTES, Owner of St. John's Organ & Henry Street, MONTREAL.

WOULD respectfully call public attention to the late and complete arrangement of Roosevelt's MUSICAL PIANO-FORTES, which he is now offering for Sale at his WARE-ROOMS; they consist of the Harmonic, Grand Square and Cottage Style, six and half, and seven Octaves, with Metallic Frames.

These Instruments, being of his own manufacture, he has no hesitation in saying, that in brilliancy and volume of tone, durability of workmanship, and richness of finish, they are inferior to none imported into the Province.

From greatly increased facilities for manufacturing, he has been able to state, that the same instruments will be sold at a reduction from former prices; and that all orders for Pianos, Church Parlor Reed Organs, Zophophones, and Harmonicas, of any size and capacity, will be executed with promptness, and warranted to give entire satisfaction. He has just finished a few beautiful and fine-toned Melodeons, in Rosewood and Mahogany cases, from four, four and a half, to five Octaves—in the inspection of which he would invite the Musical Connoisseurs of Montreal.

S. R. W. invites those who are in want of such instruments, to call and examine the quality and price of the above before purchasing elsewhere.
