THIS involumble Medicine has been streen years before the public, and has invariably been strended with anyaralloled subcess,—indeed it may be justly considered RIY-ALLIBLE in the cure of Bloody Fluz or Dysentery, and all Looseness of the Bowels, in oid or young. He effects are palpable. Within a few minutes after a full done has been taken complete relief in obtition. This Medicine is the invention of the late Doctor Burchart, Dundee, who, from long experience and extensive practice, has brought it to its present state of parfection in the cure of the above discusses. The ingredients of which this Medicine is comprised are most astetary and beneficial to the human system. A single trial will satisfy any one to to the furth of this statement, and we can with the greatest confidence recommined it to the public as a ware and safe returned.

To be had only of WM. LYMAN & Co.; Montreal, July 14.
