SAW SAFETY FIRST FILM

C.P.R. Officials Viewed Silent Drama to Stimulate Movement

A realistic moving picture film in the interests of the Safety First Movement was recently displayed in a specially fitted car at Windsor Station before Vice-President Bury and a number of C.P.R. officials.

The film was produced by Mr. Marcus A. Dow, general safety agent, New York Central Lines, and tells the story of a railroad man, Jack Foster, whose carelessness endangered the happiness of his wife and home until his friend, Jim Stevens, a booster for the Safety First, convinces him by demonstrating awful examples that it is worse to gamble for life than to gamble in any other way. One man loses his leg, and other accidents are realistically portrayed in an exhibition at the Safety Rally to which Jim Stevens takes Jack Foster—such as the shopman who loses an eye through not wearing goggles, the carpenter losing a finger while working at a bezz saw without the guard, the brakeman being run over while running between moving cars, the engineer being killed while boarding, the footboard of an engine in motion. Particularly impressive is the picture of a collision due to slowness in flagging.

In order to promote the Safety First Movement in Canada, Mr. Bury has secured a copy of the film, which will be offered to moving picture houses at divisional and other important railroad points along the line of the Canadian Pacific Railway.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case it fails to cure. Send for list of testimonials.
