W choice land with some improvements; price not to exceed \$1,600; north-west Ontario preferred, with full particulars as to terms, locality, distance from school, Church of England, etc. Ad-dress Box 30, Ancaster P.O. 429-1 Thirty families, consisting of from eight to ten persons each, and fifty or sixty un-married men and women started from Galway on the Allan steamer Austrian fo way on the Alian steamer Austrian for Boston under circumstances of peouliar in-terest. They had been selected from among the poorest of the Connemara dis-tricts. Their passages were paid from Liverpool by Father Nugert, who also ar-ranged with the Alian Line to call at Galway for them. The emigrants avrived westerday evening AN EXTRAORDINARY CASE. Ninetcen Days Without Food. The Victoria, B.C., Colonist of the 1st inst. has the following :- A few days ago there died at Quamichan, Cowlohan district, a farmer, one Francois Dencide, under circumstances of an extraordinary character. About four weeks since Den-cide got it into his head that upon Ascen-sion day he would be translated bodily to Heaven, and forthwith began to system-atically starve himself, refusing both food and water. after making presents of his at Gaiway for mem. The emigrants arrived yesterday evening accom-panied by their priest. They attend-ed mass this morning and went aboard, When assembled on the deck, Father Nugent made an affecting farewell address in Irish. He said they were parting from their own old country for may homes their own old country for new homes Such a parting was akin to death, for sterile as were the rocks and hills of Con Such a parting was akin to death, for sterile as were the rocks and hills of Con-nemara, every spot was dear to them. The scene was mest touching, the ragged women and children weeping and clinging to their olergyman and to one another, Father Nugent gave them a parting blessing, and a last farewell then took place. All the emigrants will go to Minne-sota under the care of Father Nugent's agents. Several boxes of clothing were provided, so that the emigrants will be improved in appearance when they arrive in America. The *Irish Times* speaks of the incident as a scene without parallel in-Irish history, and referring to the some-what unusual participation of the priests in assisting people to go, says :--If they must go, it is a noble manifestation of re-ligions feeling and practical philanthropy to find their deeling and practical philanthropy to find they leave, and prearing for them in America a reception from their religious teachers. THE MOROCCO CONFERENCE. asylum full. No room for more patients." The man continued to starve himself after that almost unmolested, except by some kind-hearted neighbours, who fre-quently pressed him to take food, but he always declined, and grew thinner and weaker daily. On Ascension day he had Weaker daily. On Ascension day he had been seventeen days without food or drink of any kind, and composed himself for death, but he lingered two days longer, dying on the 19th day. An inquest was held and a verdict returned of "death from voluntary starvation while in an un-sound starvation while in an unsound state of mind." The jury added a rider complimenting the Government agent for his effort to get the man cared for, and THE MOROCCO CONFERENCE. A Madrid despatch says the conferen Censuring the Government for their heart-lessness and neglect. Dencide had resided at Quanichan fifteen years, and was a native of France, aged 50 years. Origin-ally he was a Roman Catholic, but recently embraced the Protestant religion.

EJECTMENT --- CONDEMNATION OF THE IRISH PARLIAMENTARY PARTY BY THE N. Y. HERALD BUREAU. )

DUBLIN, June 15. The land troubles in Ireland are be ginning to assume a very serious aspect. Land League meetings are growing in num-bers and scenes of violence are of every day eccurrence. The non-payment of rent pro-gramme is bearing its inevitable fruit in the hundreds of evictions which take place every week, accompanied by lawless threats

and, in many cases, sanguinary outbreaks. The people assemble in thousands to resist the process of eviction, but the landlords, with the assistance of Sir winnen Harocure consider ans efforts to speak, but the Honse refused in the most disorderly manner to listen until the offensive statements were withdrawn. Mr.O'Donnell replied in a singularly happy manner. Sir William Haroourt visibly weakened. Mr. Gladstone's face betrayed. police, are usually successful. An eject-ment in the County Leitrim ended fatally,

ment in the County Leitrim ended fatally, so far as one of the assaulting party was concerned. The facts are as follows :--Henry B. Achison, of the County Ros-common, attempted to fence in a farm which belonged to him near Ballinamore, in Leitrim County, from which a tenant had been ejected. The peasantry, to the number of fifteen hundred, swarmed to the spot from the surrounding country, armed with shovels, pitchforks, etc., and attacked the workingmen who were erecting the fence. The Achison party, who were put to flight, turned and fired a revolver, wounding a man named weakened. If Glassone's loss berryed, annoyance and discontent. When the wordy contest had lasted for hours, Mr. Shaw, member from Cork, pro-posed as a compromise that Mr. Gladstone and Mr. Parnell should withdraw their metiant and the form motions, and that the Ministry should al-low Mr. O'Donnell to complete his statelow Mr. O'Donnell to complete his state-ment, but the member from Dungarven re-fused, and insisted upon the right of free speech. Cries of "divide" greeted mem-bers attempting to speak until Lord Hart-ington rose. He had not spoken four sen-tences when he, too, was called to order for attempting to enlist the Queen's name on his side. Mr. Parnell moved an ad-icomment of the debate as a trial of fired a revolver, wounding a man named Meehan, who died later in the evening. Achison, who escaped, but was subse-quently arrested, was protected by the police. Some of the peasantry were also journment of the debate as a trial of strength, which resulted in the Government securing a majority of 106. Major Nolan, on the House re-assembling, moved A split is threatened between the Land an adjournment. Sir STAFFORD NORTHCOTE anxious to

A split is threatened between the Land League and the Irish Parliamentary party. At a meeting to day, Mr. Brennan said that the League is in receipt of a thousand letters a week from tenants who are asking for assistance to enable them to resist the throw oil on the troubled waters, pro-posed that Mr. Gladstone should so limit his motion to silence Mr. O'Donnell so that it should not establish a precedent, for assistance to enable them to resist the t ejectments, and that it is strange that no steps are taken to forward the bill provid-ing for the suppension of evidtions grending the settlement of the land question. He said that some resolution condemning the conduct of the Irish Parliamentary party should be passed by the league. If the party did not pass the bill they would be false to their pledges. The Rev. W. Joyce, speaking of Mr. O'Connor Power's land bill, said that it was only a make-shitt, and the Irish party should reject it. Other speakers used equally harsh terms. It was proposed that Mr. Parnell should be directed to come to Dublin to explain the conduct of the party. The whole de-store in Parliament. The meeting con-cluded by calling upon the party to pass the sjectment bill and reject the O'Con-nor Power proposition.
