New Encyclopaedia.

THE 1911 NELSON ENCYCLOPAEDIA is based on the Harmer's Encyclopaedia and the Nelson "Loose-Leaf." The amount of reading matter has been slightly increased. The best has been retained from both the older books, hundreds of new articles have been written and everything has been revised and brought up to date. It will be issued in twenty-five fortnightly shilling volumes in the handy size and neat cloth bindings familiar to all purchasers of the Nelson Popular Libraries. The paper is of excellent quality. Illustrations and diagrams elucidate the text where necessary and numerous full-page pictures add to the interest and value of the work. The Encyclopaedia itself will occupy twenty-three volumes and an English Dictionary and an Atlas as vols. 24 and 25, making the whole set a complete Reference Library for the home.

Vols. 1, 2 and 3 now in stock. Price 25c. per vol.

Alpaca for Dresses Wears Well.

ALPACA is an ideal summer fabric—because the rich, smooth, lustrous surface, gives the wearer a refined, aristocratic appearance, and the nature of the surface does not allow the dust of the street to adhere, therefore garments made of it, always look bright, clean and new.
The Peruvian animal which produces the wool for this fabric, is noted for its lustrous silky wool, and the long fiber of the wool ensures satisfactory wearing qualities. The alpaca cloth will retain its silky appearance, because it is natural to the wool, and not artificially produced, as you will find in so with some fabrics.
Children's Coats, Dresses, Women's Costumes, Skirts and Blouses made of Alpaca look handsome, and for street wear, one of the most serviceable fabrics you can buy.

We can give you this reliable and good wearing, stylish, Alpaca Cloth in the following prices and colorings:—

BROWN, all prices from..... 50c. to \$1.00 a yard
CREAM, all prices from..... 50c. to 90c. a yard
NAVY BLUE, all prices from..... 40c. to \$1.10 a yard
DARK GREEN, prices..... 45, 65, 90c. a yard
BLACK, all prices..... 30c. to \$1.10 a yard

Figure on six yards for a Skirt and Blouse, and call and examine the goods to-day—or write for samples.
If you want to save money it will pay any woman to examine our extensive range of Dress materials.

"MOLASSINE" MEAL
It is hoped that these NOTES ON LIVE-STOCK have been read with interest, and closely followed and acted on by all owners of animals and poultry.
The proof of the pudding is in the eating.
We can show you learned tables of analysis, showing the percentages of albuminoids, carbohydrates, etc., but many of us would not be much the wiser.
Give "MOLASSINE" MEAL to your animals and then **WATCH RESULTS.** They will speak louder than analysis.
You will be satisfied, and will stick to "MOLASSINE" MEAL and it will stand by you. Be particular about the name.
