**VERBENA FLOUR**

From a recent Magazine we have copied the following. We only need to add, Papers to suit all requirements can be had at our Store.

1. Thou shalt heed the call of Plain quiet wall papers and white woodwork wherever such is possible.
2. Thou shalt lighten dark rooms by the use of light-hued, yellow-tinted wall paper, that suggests the blessed sunshine.
3. Thou shalt see that thy walls and thine own personality are not too forward, but modestly retiring.
4. Thou shalt use no large-patterned wall papers against which to hang thy pictures. The one will kill the other.
5. Thou shalt have no centerpiece or cornerpieces upon thy ceiling, but only a very nearly plain expanse of light color.
6. Thou shalt have thy fill of bright tints, and delicate designs for bedrooms and boudoirs, but for drawing-rooms, dining-rooms, libraries and halls, thou shalt be compelled to use less frivolous papers.
7. Thou shalt, when the ceiling is not too high, run the paper of the side wall up to the ceiling, putting the border just below the angle.
8. Thou shalt not panel the walls of a small room, except it be above a mantelpiece, a sideboard or a bookcase, where a bit of tapestry, a mirror or a picture may be held in place by strips of moulding.
9. Thou shalt use attention-compelling cut out borders, or conventionally designed strips for divisions between walls and ceiling.
10. Thou shalt remember at all times that thy wall paper is but a background against which to show thy pictures, thy furniture, and thy friends.
