MacDonald Government Will Be Faced With Opposition to Anglo-Russian Treaty

Forces Round Shanghai Pressing in on the City--Maine Elects Republican Governor by Large Vote.

OMINOUS FOR MACDONALD.
 LONDON, Sept. 9. There are increasing indications that when Parliament re-assembles after the holidays there will be a determined resistance to ratification of the Anglo-Soviet Treaty recently entered into between the MacDonald Government and representatives of the Russian Government. The hostility of the commercial world to the Treaty is reflected in resolutions of the Chambers of Commerce of such important centres as London, Manchester, Glasgow and Coventry against ratification of the Treaty by the British Parliament. It is expected that the Conservative members of the House of Commons will solidly oppose ratification, but it is uncertain whether the Liberal members will ensure the rejection of the Treaty by voting against it and thus precipitating an appeal to the country.

MAINE ELECTS REPUBLICANS.
 PORTLAND, Me., Sept. 9. Ralph C. Brewster, of Portland, Republican member of the State Senate, was elected Governor of Maine yesterday by a plurality of more than 30,000 over William R. Pattangall, of Augusta, Democrat. With returns received from 593 election precincts out of 633 in the State, the vote stood, Brewster 136,848, Pattangall, 109,372. The missing precincts included the city of Portland, which is normally Republican, one precinct of Portland and a number of towns which have too small a total vote to affect the result materially. With the same precincts and only one additional Portland Precinct missing, United States Senator Bert M. Fernald, Republican, received a revised vote of 138,639 to 91,618 for Fulton J. Redman, Democrat. Four Republican Congressmen were re-elected by safe majorities.

MACMILLAN RETURNING.
 FREEPORT, Me., Sept. 9. Captain Donald D. Macmillan, returning from his Arctic exploration and scientific works of the past year in the schooner Bowdoin, has arrived on the Labrador Coast. In a message received to-day by his sister, Mrs. F. L. Fogg, here, and sent via Newfoundland, he said: "On Labrador Coast, at Battle Mt., Labrador, Wednesday, all well."

MAIN CONTEST IN CHINA BEGINS.
 SHANGHAI, Sept. 9. While the battles in the China civil war continued to-day with renewed intensity in the vicinity of the prize city Shanghai, Chan Tso Li, War Lord of Manchuria, and Wu Pei Fu, the military head of the Peking Government, entered their forces to meet in the main contest, the fight for control of the Central Government of China. Out of the series of reports from the defending forces of Shanghai in the past 24 hours, it was apparent that fighting was being carried closer to the city by the invading forces.

DEFENDERS RECOVER LOST GROUND.
 SHANGHAI, Sept. 9. The Chinese forces defending Shanghai against the Kiangsu troops have regained all the ground they had lost in the Lih Ho sector, northwest of this city, it was announced here late to-day. Heavy rain stopped the fighting this evening.

CHILD'S NEW PRESIDENT.
 SANTIAGO, CHILE, Sept. 9. President Alessandria of Chile has resigned and has been succeeded as President by General Altamirano, head of the Military Cabinet which assumed power on Friday night.

ANOTHER STORM WARNING.
 WASHINGTON, Sept. 9. The weather bureau issued the following storm warning: Southwest storm warning ordered 10 a.m. Delaware Breakwater to Eastport, Maine, strong south west winds this p.m.

FOUR KILLED IN ELECTION FIGHT.
 PLAUQUIMINE, La., Sept. 9. Four persons were killed and two probably fatally wounded in a gun duel at a polling box while an election was being held here to-day.

GIVEN UP AS LOST.
 PORT AUX BASQUES, Nfld., Sept. 9. The Newfoundland schooner Magno which sailed for her from North Sydney, August 26th, with a cargo of coal, and has not been heard of since is believed to have been lost with her crew of three men. The general belief is that the schooner was wrecked in the hurricane that swept the North Atlantic on the night of her sailing. The Magno's crew included Levi Bagg, master, married, Port aux Basques; Wilfred Walters, single, Fox Roost, District of Burgess and LaPelle; James Vallie, married, Coomb's Cove, Fortune Bay.

S.S. Harmony in Port

S.S. Harmony, the Moravian Mission ship, under command Captain Jackson, has arrived in port from Makovik, and is now moored at the premises of C. F. Bennett & Co. The Harmony left London for Makovik on July 2nd, and arrived there twenty six days later, after a splendid run across. She called at all the missions as far North as Port Burwell and reports the natives and missionaries in excellent health. All along the coast the fishery is reported very good, but at some of the stations there was a shortage of salt which was relieved by a supply brought by the steamer from Hebron. On the way South nearly all the schrs. at the different stations reported as doing well, and many were seen on the way home with good catches. At Catharst and Musford in particular the fishery has been very good. The ship left Hopdale on Thursday last, and made a good run South. She

brought a cargo of trout, salmon, furs, etc., and after discharging will again sail for the missions. Three passengers landed here, viz.:—Mrs. McCreary, child and maid.

A Wonderful Drama

"THE ETERNAL THREE," A MAGNIFICENT PRODUCTION AT THE MAJESTIC.

Certainly one of the greatest stories ever screened. A marvelous production that will please one and all patrons of the Majestic Theatre as well as every lover of the silent drama is the verdict of those who already had the pleasure of seeing "The Eternal Three," which is now running at the Majestic and will be repeated to-night. "The Eternal Three" is complete with all the latest and most modern appliances adopted in the great industry and the picture is a revelation. The story employs the able assistance of four noted stars as will be seen by the advertisement elsewhere.

The plot is elaborate. The picture starts as a tribute to surgeons, gives a slant on a victorious operation in a hospital, takes the surgeon through a love affair and marriage which is almost disrupted by a foster son whom the doctor has rescued from the gutter. Robert Bosworth, Claire Windsor and Raymond Griffith are the "eternal three."

But the most stirring part of the story is in a subsidiary love affair. Here the human interest is typical of Marshall Nellan as he is universally appreciated. The work of Bosie Love and Tom Gallery in an erasing romance of youth is the really moving thing about this picture. It shows a delicacy of directing and a sincerity in the performances of these two that strikes deep.
