Mr. Janes I. Fellows.—Dear Sir : I am
very happy to acknowledge the benefit I
have received from the use of your Compound Syrup of Hypophosphites. For upwards of twelve months I suffered most
acutely from a severe cough, and a most
violent Asthma, for the relief of which I
tried everything I could hear of. I at
last commenced the use of your Syrup,
and after taking one bottle was able to
attend to my avocation. I continued according to directions till I had used nine
bottles, which effected a perfect care.
With much gratitude, yours truly,

Very Natural.—When a person has proved an article and found it good, and answering the purpose for which it is intended, he will not readily abandon it for one of doubtful reputation, or concerning which he knows nothing. We are led to make these remarks owing to the course always pursuel by those who have used that celebrated and truly valuable horse-medicine known as "Darley's Condition Powders and Arabian Heave Remedy." All are so well pleased with it that they will not use any other; many have waited several weeks until the agent could obtain a new supply. There is nothing equal to it as a condition medicine, or for any complaint affecting the wind of horses. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, New-castle, Our, proprietors for Canada. Sold by all Medicine Dealers.
