RATES COMPLAINED OF

Strong protests from W. S. Ball. & solicitor representing the Lethbridge board of trade, and from J. L. Manwaring, secretary of that body, resulted yesterday in the Dominion Railway commission taking under consideration the complaint of Lethbridge peodeclaring that the railway laid down ple against the recent raise in express rates which went into effect on April 15th last. On that date, the Canadian in Calgary from Winnipeg at a flat Pacific railway took over the Alberta rate of 21 cents per 100 pounds, while Railway and Irrigation company, the Georgeson company was charged small line which it had secured con-

Before the transfer, Lethbridge had "I charge that this discrimination is deliberately and maliciously made." said Mr. Georgeson, "for the purpose press company and the Great Northof injuring the business of this com-plaintant and ask that full penalties for the violation of the law be impos-ed."

ern Express company. Since the ab-sorption of the line, however, the Liethbridge representatives assert that they must pay the regular through rate on articles expressed from any Continuing his argument further, point in the United States, in addition Mr. Georgeson declared that the contractors were independent men, not employees of the railway, and not any declared that the additional charge is made to more entitled to a cut rate than any other merchant.

Commissioner Scott said that the case was an important one and would Crow's Nest country as the competition

"Yes, but meantime, what about the damages," protested Mr. Georgeson. "I Toronto, July 25.—The decline in Rio and Sao Paulo appears to have about run its course. Both stocks showed net declines for the day at the close of the trading, but the tone was so much by with it."

already have lost \$10,000 by this discontinued, inasmuch as the express continued, inasmuch as the express company probably had some arrangement for through express rates which was abrogated when the line was taken over by the Canadian Pacific rail-

Ottawa, July 25.-The Canadian people are catching on to the advantages of the system of rural mail delivery. Many applications are being received by the post-office department, especially from Ontario. There are now 850 rural deliveries, 250 of them having been added in the past year The greated number of applications come from Ontario where most of the outes are now located. Twenty-five thousand delivery boxes have been
