WINDSOR NOTES

Sunday, the 28th, the first Quarterly Meeting for the Conference Year was held in Tanner A.M.E. Church. The three services held were well attended and highly profitable spiritually. Rev. Dr. T. H. Henderson gave two powerful discourses, morning and evening. At 3 p.m. Rev. Dr. Robinson, P.E., Detroit District, carried his audience by storm and Rev. E. R. Robinson, the singing evangelist, capped the climax with his songs. It was truly a great day.

At the Quarterly Conference held on Monday night and presided over by Dr. Henderson, all departments of the church made their quarterly reports, showing the church to be in a healthy condition, both spiritually and financially and showing a further reduction of the church debt.

The annual supper given by the Stewardess Board of Tanner A.M.E. Church was a success in every way. No famous chef could have done better cooking than was done for the occasion, and the large crowd of both white and colored folks thoroughly enjoyed the meal. His Honor, Mayor H. H. Wilson presided during the rendering of the programme, which was well received, especially the solo numbers rendered by Messrs. J. Simms and L. C. Kirtley.

The musical drama entitled "The Minister's Wife's New Bonnet" was presented by the B.S.S. Dramatic Club in the First Baptist Church on Friday night. The dialogues were well read and the young people taking part showed exceptional talent.

Mrs. Amelia Van Patter, wife of Mr. Richard Ban Patter of Detroit, and sister of Mrs. Dolly Washington and Mrs. Frank Tdmunds of this city, died at her residence on 28th Street, Detroit, last Sunday morning. The body was taken to her former home in Canfield, near Cayuga.

The Sunday School of the First Baptist Church will hold its usual Christmas entertainment, Christmas night and the Men's Club of the church will give an entertainment on New Year's Day.
