"The Advertiser" advocates Conti-pental Free Trade, and as early as possible after, free trade with the whole world.

The Advertiser" looks forward with future as that of an Independent Canadian Nationality, in equally friendly alliance with the United States and with Great Britain, believing that such a status would be best for Canada, best for Great Britain, and promotive of the best attainable rela-tions with the United States. As to Imperial Federation, sometimes spoken of, the ADVERTISER as yet has seen nothing proposed that bears any stamp of practic-ability, and in any case infinitely prefers the grander and more really hopeful scheme peoples of the world.

"The Advertiser" advocates probibition and sale of intoxicating liquor; and all expedient general legislation and persuasion

"The Advertiser" is an advocate of equal rights for women, whether as regards the franchise, or equal wages for equal work.

"The Advertiser" is a believer in Christian Union, and considers the time has come when the various Christian denominations should come closer together. Those bodies which are now nearest should unite first. Under the present system there is an unjustifiable waste of men, means and effort. The ADVERTISER will endeavor to promote the movement for Christian union not alone by direct appearand argument, but by seeking to present the best rather than the worst side of each

It has been stated that the temperance organizations of the city seat a letter to both candidates for the Mayoralty, and that Aid. Spencer pledged himself to do whatever was asked of him, and that Mr. Essery declined to give a pledge.
