MONTHEAL.

MONTHEAL. Feb. 17.—There were about 26 milch cows and springers oftered on St. Gabriel market to-day, and the milkmen were present in greater numbers than usual, and most of them seemed anxious to buy, although their were not many good cows on the market. Prices continue very high, quality considered, and the milkmen are obliged to buy smaller cows than they would care to do were there better ones to be had. Among the sales made to-day were three cows for \$140, two cows for \$90, another pair for \$82, and two pairs for \$80. Two other cows brought \$16 seah, and one cow went at \$43. There were also several sales of small cows made at about \$30 each. There were a number of cows sold at the stables yesterdsy and this morning at prices ranging from \$60 to \$75 each, the latter-price having been paid for an extra milker.

Toronto Cattle Market.

Toronto, Feb. 18.—The tone of the market generally cannot be called quotably any stronger than it has been for some time, though there was a firm tone in some lines. Most of the stuff on sale was disposed of in spite of the extremely cold weather, but the attendance of outside buyers was only moderate. A few carboads of cattle went through to Montreal. Receipts were not very heavy, only about 26 carloads being on sale.
