Parry Sound Redeemed.

After 26 years Parry Sound has been redeemed to Liberalism by the election of Mr. R. J. Watson, and the party workers are jubilant at their success. The last Liberal representative was Mr. A. P. Cockburn. The organization in this somewhat sparsely settled riding was excellent, and each worker knew what he had to do when election day came. Mr. Watson's majority is 365, with two polls to hear from. The work was done quietly, and no outside help was brought in. Mr. Watson worked tirelessly, held 30 meetings, and called at over four thousand farm houses. In Entomologists Decide on a Course Nellie Cottrell, Former London Burk's Falls, Mr. Watson had a majority of 76, and even in Dr. Freeborn's own home the Liberals were ahead. The Roosters of France Crow Against

One Another. Paris Nov. 8.-The crowing competition among roosters, given at the agricultural 104 exhibition by the Agricultural Society, has been a great success. This sport, once popular in the northern provinces of France, in Beigium and Flanders, had been nearly forgotten until M. Van Gel-der, of Anyers, made a tour of the coun-Gunn, Fraser.

23 ... is the owner of Picador, a rooster valued in times in half an hour, considered until now invincible.

4 ... 4 ... At the Cours-la-Reine, where he exhi-

bition took piace, each rooster was placed in a separate cage, which was inclosed in a box provided with heavy curtains. A judge sat at a table before each cage, ready to register the number of crows within a stated time. At a given signal the curtains before a cage were drawn back, thus allowing the light to strike the bird, who immediately gave vent to a series of crows, which were carefully registered. Picador was not in form, and was defeated by Toreador, whose crowing efforts numbered 32 within half an hour. Santos Du Mont came out second, crowing 29 times in 30 minutes, and Lion was third.

A curious placard conspicuously placed on the exhibition grounds warned exhibitions of the constitution of the santon present in the constitution of the santon present in the santon pre

on the exhibition grounds warned exhibi-tors against presenting roosters with ears plugged, as such a trick would ren-der the competition unfair by preventing each bird from listening to the crowing of its rivals.

Visitors to Paris, recalling their experiences, will be astounded to learn that a race has been arranged, open only to Paris cab horses, in everyday service, paris can horses, in everyday service, 59 victorias and coupees. The course is to 26 Versalites and return, about 30 miles, and must be finished the same day. The walk and trot only are allowed. The race is controlled by La Presse, and substantial prizes are allowed A reporter took a cab this week and rode 50 miles inside the Paris limits. The horse still lives.

"That Wedding Trip."

Where shall we go? is the question 18 often asked, and there are so many delightful trips that the best plan is to consult an experienced ticket agent of 173 the Grand Trunk, who will make you up an itinerary for as many days' or weeks' trip as you desire.

AN END TO BILIOUS HEADACHE .-Biliousness, which is caused by excessive bile in the stomach, has a marked effect Southampton but bile in the stomach, has a marked effect upon the nerves, and often manifests itself by severe headache. This is the most distressing headache one can have.
