Council Held Two Meetings Fixed Mr. Garratt Pro Tem

ject. No. 2.

Conservative Majority Puts the head bridge across the intersection of Trafalgar and Adelaide streets to Finishing Touch on Sharp Practice.

Mr. Joshua Garratt last night took seat at the meeting of the city council and participated in the consideration of the business transacted.

As was foreshadowed in The Advertiser of Saturday, two meetings of the city council were held. The first one council to take steps for the extension began at 7:30, and only one item of of the northern boundary of the city began at 7:30, and only one item of west of Adelaide street to the north business was taken up. Mr. Garratt branch, for school purposes. No. 1. was appointed to the Western Fair The property-owners of Clarence Board. This meeting did not last five street, from Dundas to York street, minutes. When it opened, the mayor asked be constructed on that thoroughfare at

City Clerk Baker if Mr. Garratt had once. No. 2. filed his declaration. "He has, your worship," replied the sion to erect in Victoria Park a pagoda clerk. Then Mr. Garratt was pitch- for the sale of candies, nuts, etc. No. 2. forked onto the fair board.

Move we adjourn," said some one. "Carried," said the mayor. He left Trafalgar street, was referred to the the chair, walked a few feet from it, board of works. "We will proceed with the next meeting," he said, as he settled himself in (south side) Clarence to Wellington

And the council proceeded

Worsteds Are The Correct Fabrics For Spring Suits

The coming spring season will witness an immense vogue for Worsteds. They are pre-eminently the correct thing for the spring suits. And what makes a smarter, more stylish-looking suit than one made of a fine, light-weight Worsted? Pleat so neatly-and pleated skirts will be in great favor this spring, and their hard, bright finish adds to the beauty of the patterns.

In anticipation of an immense demand we have bought a great stock of Worsteds. A big share of them are now overflowing the counters and shelves in our Dress Goods Department. We suggest that you favor us with a visit. You'll find that we are exhibiting the patterns and shades which are authorized correct for spring. Come and see

The "London Smoke" Grays

that will soon be all "the go." Come and see the lighter tones of gray that will also be in great demand. Come and find the black and white checks which are already so popular. Come and admire the beautiful mixtures with fawn, brown and blue as the predominating tones. Come and enjoy the entire display of fresh, new goods.

Worsteds at Popular Price of One Dollar a Yard

A large and comprehensive variety of light-weight Worsteds at the popular price of one dollar a yard, including the "London Smoke" grays, black and white checks, and light mixtures.

Many, indeed, are the patterns: Small, clearly-defined checks with single thread overcheck. Invisible checks with stripes formed by twisted colored threads. Invisible and clearly-defined stripes, with and without overchecks. But you'll have to see the goods to
