We were very fortunate in having our large spring orders contracted for months ago, at old prices, thereby escaping the recent advance made by all foreign manufacturers in the prices of these goods.

Our values we consider better, and the prices are as low—if not lower—than pre-

Nottingham and Cable Net Curtains, 50c to \$5 Pr.

equal in quality to those at \$1.25, but narrower. Per pair	85¢
twisted strands, 30 inches wide by 3 yards long, a splendid bedroom or dining-room curtain. Extra special, per pair	\$1.50
including the simple insertion effects, 52 and 54 inches wide, all extra value, at, pair	\$2.75 and \$3.00

weaves. Every curtain a dependable quality, with threads that give confidence of wear; a big range of patterns, some with a very fine Brussels effect to the close imitation of Battenberg curtains, all handsome and rich effects, and very durable.
