LOCAL MARKET QUIET WITH PRICES FIRM

Oats Somewhat Easier at \$1.00-
\$.103—Potatoes Small Offer-
ing—Butter Firm.

Since Saturday the local market has been quiet with offerings small in all lines and prices steady. Previous to 5 o'clock this morning no hay or oats had been offered.

On Tuesday oats were somewhat easier at \$1 to \$1.05, and it is expected that today will see no change. Wheat is selling for 85 to 86 cents per bushel. Butter and eggs are firm and as listed. Eggs are retailing at 45 to 48 cents.

Potatoes are a slow-selling commodity this week. The offerings have been small and the demand is slow. Other vegetables are as listed.

Apples are a small offering, at 50 to 80 cents.

No live hogs have been offered this week and prices are firm as on Saturday. Last week's price was 85 to 86 cents and the market this week will probably follow that lead.

Poultry continues firm, as listed. The colder weather has caused butchers' meats to become somewhat easier. Prices are firm, however, and no change is expected.

Hides, wool, etc., are firm and as quoted:
