

Both Local Teams Win M-O May Take Part In War On Majors

INTERMEDIATE BLANK TILLSONBURG SIX 5-0

Show Startling Reversal of Opening Form.

DEFENCE IMPROVES

Hindmarsh and Gillies Rush Well and Present Solid Front To Attack.

Displaying a far better brand of hockey than when beaten in the opener by St. Thomas a week ago, the local intermediate team outplayed and outscored the Tillsonburg entry at Westminster rink last night, blanking the visitors 6 to 0.

Combination was not resorted to, to any great extent by either team, but at times the fans got a real thrill from the individual play. The Forest City crew set the pace right from the start, and when the first period was over had three goals to their credit by Gillies, Burgess and Hindmarsh, respectively.

With but two minutes to go in the second round, the puck went into the net from the point in front of the goal, and landed it in for the fourth counter. The puck went in again, and the local team led in the final game by a score of six to nil.

During the first two periods the teams played the puck, but in the third round the puck went into the net from the point in front of the goal, and landed it in for the fourth counter. The puck went in again, and the local team led in the final game by a score of six to nil.

The whole London team showed a startling reversal of form last night, and had anything like the number of shots as the Tillsonburg team, but they were not as accurate as the visitors.

During the first two periods the teams played the puck, but in the third round the puck went into the net from the point in front of the goal, and landed it in for the fourth counter. The puck went in again, and the local team led in the final game by a score of six to nil.

Play 2-2 Tie in Overtime Mix

Collegiate Machine Gunners Hold Old Hockey Vets Down.

Machine Gunners and Westminster Hospital battled ten minutes overtime last night at the barracks rink to a 2-2 tie, the snow getting the better of the contestants, who were tied to call it a night. The Collegiate Machine Gunners, younger and in a good condition, were in the best condition at the end.

Sessions was the star of the Gunners, and with the rest of the squad, led the old-timers such a race that it more than offset the weight and experience.

The line-ups: Hospital—Suiter, Dr. Young, Dr. Barry, Mr. Home, Hild, Hilde, W. C. Hilde, Hilde.

M. G.—Scott, Sessions, Chapman, Beard, Johnson, McCausland, Wilkinson.

JUNIORS DEFEAT ST. THOMAS ON OWN ICE

Overcome 2-0 Lead in First Period To Win 4-2.

SMUCK IS STAR

Rangy Defence Lad Had Londoners in Trouble All First Period.

By Staff Reporter.

St. Thomas, Jan. 15.—London Juniors triumphed over the locals here tonight in an O. H. A. fixture by a score of 4 to 2.

The game started on ice that was sticky, and it did not improve any as the play progressed. Per 4 times it looked as if the locals would reverse the decision that went against them last Friday in London.

London was carrying the fight repeatedly into St. Thomas territory, and the London boys won the first period ended with the score 1 to 0. St. Thomas, however, had a best of the first period, a nice shot early in the game.

With the opening of the second period, however, London acted like a new team. Smuck was playing a desperate and brilliant game on the ice, and he was using his stick to great advantage.

KITCHENER WIN POOR TILT FROM AURA LEE

Only Lucky Shot Gave Green Shirts 3-2 Win.

Kitchener, Jan. 15.—Kitchener just managed to defeat the Aura Lee team tonight at the Auditorium in a sloppy, play exhibition of hockey, 3 to 2. The Green Shirts played their poorest hockey of the year, and they were fortunate to beat the Avenue road squad, a long shot that was slightly deflected by Aura Lee team.

The going was slow, and in addition the Kitchener forwards had an off night. They did not check back until they really had to save the game, and they did not combine together at all.

Hemphill and Hearn, two juniors of last year, were on the Kitchener defence, and they played good hockey, but they were not well protected by the forwards.

The first period was particularly listless, despite the fact that the locals got two goals, and were leading by that time. The second period was a little better, but the Aura Lee team scored a goal in the second period, the game fingered up.
