STAGES SECOND *ANNUAL CONCERT

Splendid Entertainment Is Witnessed by Many Parents and Friends.

E. W. G. QUANTZ DIRECTS

homely as a mud fence, but I would of farents and friends, the girls and boys of the London South Collegiate bitious and tidy in his appearance. Glee Club held their second annual but he must not smoke, chew, drink, use profane language, dance or play concert last night in the Victoria School auditorium. Under the direction of E. W. G. Quantz, the club has been practicing for some time past and the results of this teaching will all to say they will not marry a person unless he does not smoke, etc. vere made manifest in every selecthen and not until then will we have a stronger race of true Canadians of ion and offering on and offering.

The girls of the club contributed better morals. I know there are not many old-fashioned girls now, but it is not any wonder there are a lot of the club contributed better morals. I know there are not many old-fashioned girls now, but it is not any wonder there are a lot of the club contributed better morals. eaks), to which they gave a splen-i rendition, and the orchestra of e school, under the direction of flappers, as they are the ones the men like to pass away the time with till they think of getting married. If

ouglas Featherstone, by the excelence of their offering last night added more laurels to those already theirs. Their offerings were "Sunrise and You" (Arthur Penn) and "Water Lillies" (Floyd St. Clair.)

In the violin solo numbers, "On the Wings of Song" (Mendelsshon) and "Rigaudon" (Monsigny Franko), Mr. Featherstone delighted his auditors with the understanding and finished technique he showed, and Mrs. E. Wyntt, one of the assisting vocalists, was at her best. "Included on her repertiore were such pretentious numbers as "Were I a Butterfly" (Liza Lehmann), "If I Knew You and You Knew Me" (James MacDonald). "Where the West Begins" (Frank La Forgé), "The Little House of Love" (Hayden Wood), and "Tally-Oh" (Leoni), and to each of them she brought the same gift of interpretation which always characteries her. the same gift of interpretation which always characterizes her singing and a voice of rare range and glorful tones which at each appear the ensemble selections exempliabove quanties. I think it is the man's place to pop the question, for the ensemble selections exemplias "Tried It Once" said, when the throw it up to you. So, too, if you do not want everybody to know you ppped the question you had better (Glese); "Carmena" throw it up to you. So, too, if you do not want everybody to know you ppped the question you had better let him do it. ROBINA. uthful, voices were heard to ad- throw it up to you. So, too, if you do
