ESTIMATES MAY BE LATER THIS YEAR

Cabinet Council Met Yesterday For First Time Since Holidays.

Canadian Press Despatch.

Ottawa, Jan. 7.—Cabinet council met today for the first time since the holidays finding many matters of importance awaiting its consideration, varying from senate vacancies to water levels in the Great Lakes.

The prime minister had no announcements to make at the end of the meeting.

It is understood that the report of the royal grain inquiry commission was considered in part and that a program of professional work was mapped out. The preparation of estimates is under way, but less progress has been made in this direction than had been made at this time last year, so that the main estimates probably will be brought down in the house of commons this year somewhat later.

Nothing definite has been done about filling the five vacancies in the Senate. The question of the diversion of water from the Great Lakes by the Chicago drainage canal remains in status quo, so far as Canada is concerned.

Wallaceburg Woman Gets Warnings Signed K.K.K.

Special to The Advertiser.

Wallaceburg, Jan. 7.—When Mrs. James Pearson opened the front door of her apartment in the Stonehouse flats on Tuesday morning she found a note written in crayon pencil on the floor, which read: "Meet me on the bridge tonight or beware, K.K.K."

The matter has been reported to the local police and investigations are being made by Provincial Officer Oliver.

The apartment, which was only rented by James Pearson about a week ago, was formerly occupied by an Indian woman named Mrs. Oliver.

Constable Oliver kept the apartment, but saw nothing to rouse his suspicions. However, on Wednesday morning Mrs. Pearson found another note in the same writing which was worded "You tried to betray us last night, beware, K.K.K."

Further investigations are being made by Mr. Oliver.

GYPSUM IS DISCOVERED ON OTTERTON FARM

John Rider Refuses \$30,000 Offer For 100 Acres of Land.

Special to The Advertiser.

Otterville, Jan. 7.—A great amount of interest and enthusiasm has been shown in the village owing to the recent discovery of gypsum on the farm of John Rider, two miles east of this village. Mr. Rider was drilling a well when the gypsum was discovered.

Specimens of the same mineral have been discovered on the adjoining farms belonging to William Deer and Charles Innis.

Mr. Rider, after refusing \$30,000 for his 100 acres, has rented it to a Simcoe company. Diamond drills have been sent and operations are to commence immediately.

LOST LION'S HEAD GIRL LOCATED AT WINDSOR

Miss Pansy Parker Had Been Missing For Over Month.

Canadian Press Despatch.

Windsor, Jan. 7.—Miss Pansy Parker, missing Lion's Head, Ont., girl, has been found safe and sound in Windsor, it was learned today.

She disappeared from her home on Georgian Bay over a month ago, leaving no word of her future residence or plans. Subsequently a suitcase which she had expressed through from Warton to Windsor was discovered by the police at one of the local express offices. Thorough inquiries, however, failed to locate the girl.

Today Miss Parker was identified at the Young Women's Christian Association by the secretary, Miss Eva Coon, who recognized her from photographs published.

She had been working in Detroit, unaware of the efforts that were being made to find her. Miss Coon said.

SAGE TEA KEEPS YOUR HAIR DARK

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance.

Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of

Sage Tea and Sulphur enhances its appearance a hundred fold. Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wet's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend the ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears, after another application or two, its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger—Advt.
