tions has had a lengthy session on Foreign appointments.

New York, April 12.—The following nominations were sent to the Senate to day.

J. Lathrop Motley, Minister to England;

A. G. Curtin, minister to Russia; John Jay, of New York as Minister to Austria; Leopold Markbeck of Oregon as Minister to Bolivia; J. K. Clay of Louisiana (colored to Liberia; Silas A. Hudson, (colored) of lows, to Guatamala; E. D. Bassett, colored) of to Guatamala; E. D. Bassett, (colored) of Pennsylvania, to Hayti; Oran E. Jacobs and J. K. Kennedy as Associate Justices of of Washington Territory. The Supreme Court has rendered a decis-

The Supreme Court has rendered a decision in the case of the State of Texas against George W. White and others. The suit was to restrain defendants from receiving payment the form national Government to certain Texas indemnity bonds of the United States which plaintiff claims to belong to the State. The bonds were sold by the rebel Legislature and the reconstructed State Government seeks to prevent their payment. The opinion of the court is that the State of Texas is entitled to relief sought by the bill and is entitled to relief sought by the bill, and

decree is ordered accordingly.

New York, April 12.—The Post says it is reported that a fast privateer of seven hundred tons butthen left New York recently to aid the Cuban insurgents. It is said after leaving port a number of gune were put on board. She took 120 men. A meeting of the Cuban Junta was held to-day Proceedings were secret, but it is intimated that a strong Cuban expedition has sailed from a southern port under the command of a dis loguished American officer. Both branches of the City Council to day adopted resolutio a of sympathy with the Cuban

A fire at Hancock, Mich., destroyed six block, containing over 110 houses, barns, &c.; only a few buildings remain. Total loss, half a million.

WASHINGTON. April 13. -The following Washington. April 13.—The following nominations were sent to the Senate—T. H. Nelson, of Indiana, as Minister to Mexico; Henry Sandford, as Minister to Spain; Horace Rubler, of Wisconsid, as consul to Switzerland; W. A. Pile, of Missouri as Minister to Brazil; Freeman H. Morse, of Maine, as Consul General o London.

The Senate, after debate, rejected the Alabama Treaty with only one dissenting vote.

Wm. A. Howard, of Michigan, is nominated.

ed as Minister to Chica, vice J. Ress

Browne.

Lemuel Lynn, of Oregon; is nominated as Consul to Kanagawa, Japan, and E. G Parker as Commissioner of Indian Affairs. Only two nominations were confirmed by the Senate to-day—J. L. Motley, as Minis-ter to England, and John Jay as Minister to

The only speech made in the Senate to-day on the Alabama claims was by Sumner, who spoke for nearly two hours. He took the ground that the treaty could not be considered a se tlement of the pending question between the two countries. It was merely a settlement of individual claims on both sides. bark Monets, Port Orchard:

San Francisco, April 12.—Greenbacks 76 presented, including the British proclamation of neu rality, and permitting of the building and equipment of privateers in British ports, which had the effect of prolonging the war two years. He claimed that the British government should be made to respond in damages not only to underwriters but also to the national government. He estimated our losses at \$100,000,000.

On the conclusion of Sumner's speech several Senators briefly endorsed it, and expressed satisfaction at the temperate and in-

retructive view presented.

New York, April 14.—The Herald says, the Senate has dissipated the fiction that the Alabama claims constituted merely an international account rasily adju-ted.

The Tribune thinks the vote is so emphatic as to enable the English to comprehend at least the truth. The World thinks the prospect of sais-

THE GRAND PROMO-TERS OF HEALTH. HOLLOWAY'S PILLS.

The grand secret of attaining happiness is to secure good health, without which life is stripped of a its pleasures. The first irregularity of any function should be checked and set right by appropriate doses of these fine purifying Pills, which strengthen the system by thoroughly cleansing the blood rom all impurities. They balance disordered action, remove the cause of disturbance and restore its normal and natural power to every organ, without inconvenience, pain or any other diawback.

This is generally occasioned by some irregularity of the stomach and bowels, which, if not quickly attended of frequently terminates fatally. A few does of the reid mous Pills never fail to give tone to the stomach regularity to the secretions, and purity to the fluids. Vertical dimness of sight and other indications of approaching apoplexy, are en irely dissipated by a course of this admirable medicine

For all debilitating disorders peculiar to the exam. a overy contingency perions to the life of women, youthful or aged, married or single; this mild but speedy remedy is recommended with friendly expressness. It will correct all functional derangements to which they

will correct all functional derangements to which they are subject.

Serofuls and all Skin Diseases.

For all skin disease, howeve investerate, these medicines are asovereign remedy while the Fills act upon the blood, which they put ify, the outment passes through the pores of the sin, and deanses every structure, as water saturates hesofler as sait penetrates meat. The whole physical machinery is thus rendered healthy, regular and vicorous

Coughs, Colds and Asthmas.

No medicine will cure colds of long duration or such as are settled upon the chest, so quickly as these famous Fills. Even in cases where the first stage of asthmas has appeared these. Pills may be relied on as a certain and never failing remedy, particularly if the Cintment be simultaneously well rubbed into the chest and throat night and morning.

Indigestion—Billious Headache.

These complaints may sometimes be considered trifling but it should be borne in mind that by inattention and neglect, they often end most seriously. Give early thoughtte a deranged stomach take Holloway's Pills, rub hiscolebrated Ontment over the pit of the stomach, and you will shortly perceive a change for the better in your signation, spirits, appetite, strength and energy. The improvement, though it may begradual willhethorough and lasting.

Holloway's Pills are the best remedy known the world for the following diseases:

Many years ago, the writer of these lines and an invalid physician, while visiting the Island of St. Oroix for their health, experienced and witnessed many surprising and beneficial effects of the Sum there produced upon many of the invalids who were (like ourselves) seeking health; and, upon inquiry and investigation, obtained a full history of its medicinal virtues. He was delighted and surprised, and after his own recovery, which soon occurred, determined, if possible, to procure the sole right to manufa

The result of his labors was a glorious success for himself and su TATION BITTERS being an article of real merit, founded upon new principles, and relying wholly upon the vegetable world for its medicinal effects, worked a rapid revolution in the history of medicine, and became as a household word all ever the civilized world. The cabalistic S. T.-1860-X was a talisman of health, and the demand for the PLANTATION BITTERS soon far exceeded the abilities of the proprietors to supply. Motwithstanding the large importation of St. Croix Rum, made expressly for the compounding of these Bitters, the quantity was inadequate. It therefore became nece that arrangements upon an extensive scale abroad should at once be made, and an agent was dispatched to St. Thomas for that purpose. He was fortunate in securing and leasing several plantations on some of the largest and most productive estates on the island. Houses, stills and presses were erected as if by magic, which utterly "astonished the natives." The services of experienced men and natives of the island were procured, and very soon the proprietors of the PLANTATION BIFFERS were in a position to supply their laboratory with all the perfectly pure St. Croix Rum needed in manufacturing the GREAT DYSPEPTIC TONIC AND INVIGORATOR. The above cut represents the natives crushing the sugar-cane and otherwise preparing it for the stills and pre-As an antidote to Fever and Ague, Intermittent and Malarious Fevers, Dyspepsia, and other kindred diseases, the use of the PLANTATION BITTERS is unsurpassed in the history of the world. Over five million bottles are disposed of annually. They are adapted to old and young, male and female. They are agreeable in taste, and always produce an immediate beneficial result.
