

The Unique Flavour of "SALADA"

that charms so many millions of regular users is due to the freshness and unfailing fine quality of the leaf. To try Salada once is to use no other tea henceforth.

Clean Up Paint Up

KEEP your house looking its best at all times. Keeping up its appearance will keep up your pride in it.

Plant flowers and grass seed. Trim up the shrubbery and vines. Don't let rubbish accumulate in either the front or back yard.

Then paint your house with Lowe Brothers High Standard—the investment paint. Lasts longer than most other paints and looks better as long as it lasts. This means that repainting won't be necessary so soon.

High Standard costs a few cents more per gallon, but you need fewer gallons, therefore you begin saving money right at the start.

We will gladly prove to you that the difference between Lowe Brothers and other paints is more than a mere difference of opinion.

Come in and ask for interesting literature and look at the sample panels.
