the Digdequash between this present month, and 1st March 1851 none of said logs are to be under 14 inches diameter at the top end, and as long as can be obtained sound and free of bark. It will be advisable for persons in the County to improve the time of for their comfort.

The Digdequash between this present month renovated and fitted up, he believes to suit the taste of the most fastidious, where it will give him pleasure to serve his former customers and the travelling public generally and promises to use his best exertions or forty per cent. Left of the CALS, every style, believes to suit the taste of the most fastidious, where it will give him pleasure to serve his former briefly to enumerate the advantages which we offer to our Customers and the Public. We have always studiously avoided claiming to ourselves at y power of selling at thirty and promises to use his best exertions or forty per cent. Left others in the trade, but simply rested our claims on our extensive experience—buying our Goods direct from the best Manufacturies at Cash Prices.

Presing the Colhing Resules some time ago in St. John in addition to our contents. sive experience—buying our Goods direct from the best Manufacturers at Cash Prices.
In commencing the Clothing Business some time ago, in St. John, in addition to our large Custom Trade, we introduced a scale of prices little known previously to the respectable class of the public; this we were enabled to do, by entirely rejecting the long credit system, and supplying first rate articles at a moderate scale of Profit for cash.

Our theory has invariably been, that improvements can always be introduced. This year we endeavour to do better than last.

LOCKHART & GO.

And by thus continuing to progress during the few years we have been in business, we apprehend we have now brought our business to a point surpa-sed by none.

The superiority of our style of Cutting is well known. The newest Paris and London Styles are introduced as early as in New York or Boston, and every improvement is at once adopted. In alluding to the large Stock of Clottes in our Establishment, we may merely state that it comprises the best assortment of FRENCH and GERMAN TWILLED, CLOTHS, and DOESKINS, of every shade and colour to be found.

George, commencing at 10 o'clock, for the purpose of raising Funds to be appropriated towards the repairs of the Church, and building a new Fence round the Grave Yard.

It is requested that contributions of articles for Sale may be transmitted on or before the 12th July to the following Gentlemen who compose the Committee By receive our customers will find on visiting the contributions.

THE EXTENSIVE READY MADE DEPARTMENT.

Of this branch, we may say that every article in our Establishment is inade up as carefully as if ordered. No workman is too good to be employed by us. We make all delications are included and actions are included and actions are included as a supplied to the system pursued, when we state that in Goa's we keep thirty-six sizes, so that all shapes and heights may feel a certainty of being fitted.

To enumerate the varied Stock would far exceed the limits of an advertisement, but who compose the Committee By receive our customers will find on visiting the
