Follow Our Advice:

When you feel blue 'cause Biz' is bad,
And all the world seems raging mad;
When war is humming in your ear,
Don't pine and think,
But quickly drink
A glass of Alexander Beer.
Then clouds will vanish, life seem brighter,
The sorrows gone, the burden lighter,
And Albion's sons and Deutschland's Kaiser
Their quarrel cease, and live in peace,
For Lager Beer has made them wiser.
