Use **VANCO** Brand

CANADIAN MADE

Spray Chemicals

Lime Sulphur Solution

(Concentrated)

A clean solution, no sludge. One barrel makes twelve for winter spray, or fifty for summer spray. Analysis shows it to contain more sulphur in solution than other brands.

Price, \$8.00 per Barrel, f.o.b. Toronto

Lead Arsenate

15-17 per cent. Arsenic Oxide, 40 per cent. moisture average. Prices:

500 lb. barrels	10c	per lb.
100 lb. kegs	11c	per lb.
50 lb. kegs	11 1/4c	per lb.
25 lb. kegs	12c	per lb.
12 1/2 lb. pails	13c	per lb.

F. O. B., Toronto.

It won't burn. It sprays easy. It sticks well. It kills sure. TRY IT NOW.

Why Bother Making, when you can buy our

Bordeaux Mixture in Paste Form

300-500 lb. barrels	3 3/4c	per lb.
100 lb. kegs	4 1/2c	per lb.
50 lb. kegs	5c	per lb.

F. O. B. Toronto.

Twelve pounds of this paste added to 40 gallons of water makes the 4.4.40 formula.

Our chemicals are all made from the purest chemicals under the supervision of expert chemists.
