As a slavey she was hired,
But the washing made her tired,
Because she had to rub and rub all day;
But a friend soon to her wired
That no rubbing was required
With "EZE," so she got it right away.

"LITTLE BLICK" TYPEWRITER

This is a progressive age, and even private persons who have much writing to do should avail themselves of the improvements in invention to save themselves from writer's cramp, and to give outward neatness of expression and visible finish to their intellectual productions. They can do this in an appropriate and adequate manner in almost any modern language with the aid of the "Little Blick" for

HYGIENE KOLA CO. 84 Church St., Toronto
Received the following unsolicited testimonial from Jos. R. Lathewell, Cartage Agent and Coal and Wood Dealer:
Orangeville, Sept. 18th, 1900.

The Hygiene Kola Co., Toronto.
Dear Sirs,—It affords me much pleasure to testify to the great relief I have experienced from the use of Kola Celery and Pepsin. I was for several years troubled with indigestion, and had tried many things, and not receiving any benefit I was induced to try the Kola Celery and Pepsin. The second dose gave me great relief, so I kept taking it until I had used 3 bottles, and am now entirely cured, and I recommend very highly the Kola Celery and Pepsin to other sufferers. I am, yours very truly,
JOS. R. LATHEWELL.
